Soldier Of The Legion A:

A soldier of the legion George Manington, 2023-05-01 Sitting at the terrace of a well known caf on the main boulevard of the French capital some time ago I happened to glance down the columns of a Parisian newspaper and was struck by a realistic account of the recent combat at El Mounagar After describing this action a long arduous but successful defence of a convoy of arms and ammunition by a handful of men from the Foreign Legion against the repeated attacks of more than a thousand fanatical Moorish horsemen the journalist expressed his admiration for the courage and disinterested devotion of which this corps has so often given proof **A soldier of the legion** David L.
