Soldier Wolf:

Cheyenne Indians George Bird Grinnell,1972 **Arapaho Journeys** Sara Wiles,2012-09-14 In what is now Colorado and Wyoming the Northern Arapahos thrived for centuries connected by strong spirituality and kinship and community structures that allowed them to survive in the rugged environment By the mid nineteenth century however as Anglo Americans pushed west Northern Arapaho life changed dramatically Although forced to relocate to a reservation the people endured and held on to their traditions Today tribal members preserve the integrity of a society that still fosters living ni ihi as they call it in a good way Award winning photographer Sara Wiles captures that life on film and in words in Arapaho Journeys an inside look at thirty years of Northern Arapaho life on the Wind River Indian Reservation in central Wyoming Through more than 100 images and 40 essays Wiles creates a visual and verbal mosaic of contemporary Northern Arapaho culture Depicted in the photographs are people Wiles met at Wind River while she was a social worker anthropology student and adopted member of an Arapaho family Among others pictured are Josephine Redman an older woman wrapped in a blanket soft light illuminating its folds and rancher artist Eugene Ridgely Sr half smiling as he intently paints a drum Interspersed among the portraits are images of races basketball teams and traditional games Wiles s essays weave together tribal history personal narratives and traditional knowledge to describe modern day reservation life and little known aspects of Arapaho history and culture including naming ceremonies and cultural revitalization efforts This work broaches controversial topics as well including the 1864 Sand Creek Massacre of Cheyenne and Arapaho Indians Arapaho Journeys documents not only reservation life but also Wiles s growth as a photographer and member of the Wind River community from 1975 through 2005 This book offers readers a journey one that will enrich their understanding of Wiles s art and of the Northern Arapahos history culture and lived experience

The Arapaho Way Sara Wiles,2019-10-31 The sun the moon the seasons our Arapaho way of life writes foreworder Jordan Dresser When you look around you see circles everywhere And that includes the lens Sara Wiles uses to capture these intimate moments of our Arapaho journeys In The Arapaho Way Wiles returns to Wyoming s Wind River Indian Reservation whose people she so gracefully portrayed in words and photographs in Arapaho Journeys 2011 She continues her journey of discovery here photographing the lives of contemporary Northern Arapaho people and listening to their stories that map the many roads to being Arapaho In more than 100 pictures taken over the course of thirty five years and Wiles s accompanying essays the history of individuals and their culture unfold revealing a continuity as well as breaks in the circle Mixing traditional ways with new ideas Catholicism ranching cowboying school learning activism quilting beadwork teaching family life the people of Wind River open a rich world to Wiles and her readers These are people like Helen Cedartree who artfully combines Arapaho ways with the teaching of the mission boarding schools she once attended like the Underwood family who live off the land as gardeners and farmers and value family and hard work above everything and like Ryan Gambler and Fred Armajo whose love of horses and ranching keep them close to home And there are others who have

ventured into the non Indian world people like James Large who brings home tenets of Indian activism learned in Denver There are also inevitably visions of violence and loss as The Arapaho Way depicts the full life of the Wind River Indian Reservation from the traditional wisdom of the elder to the most forward looking youth from the outer reaches of an ancient culture to the last minute challenges of an ever changing world *Cheyenne Memories of the Custer Fight* Richard G. Hardorff,1998-01-01 Only six Cheyenne Indians but 32 Sioux died in the fighting that wiped out the command of General George Custer Brave Wolf was at the scene on that bloody Sunday in 1876 Brave Wolf and others of his tribe recall the courage of the doomed men in the Seventh Cavalry and give a firsthand account of the Battle of the Little Bighorn 10 photos 3 maps *Marion's Faith* Charles King,1890 *Senate documents* ,1893 *Wolves for the Blue Soldiers* Thomas W. Dunlay,1982 The purpose of this work therefore is to survey the entire subject of Indian military cooperation with the whites in the period 1860 90 in an attempt to discern patterns of action and motivation My intention is less to provide new information about particular scout units although a number of points made here have not been examined in print before than to discover the broader meaning of episodes and personalities that have previously been viewed in isolation or in passing
