METAGALAXY Conclusions Metagalaxy Conclusions is a continuation of the Metagalaxy where SamSon is forced to face his life and the choices he has made as he takes it upon himself to help all SamSon finds out that everything and anything is still possible in this Metagalaxy even becoming conventional SamSon inspires others to step up and become moral as they seek out the greatest sources of evil to confront it and destroy it They know that evil in the Metagalaxy is still indeed strong smart and attempting to take over Love honor and loyalty are the keys to help this Metagalaxy survive And if SamSon can convince others and himself that he is still their defender and needed he will make sure it does But his own power might lead to the Metagalaxy s destruction **Docu-Fictions of War** Tatiana Prorokova,2019-05-01

Historical writing and fiction are not the same thing though historians often creatively manipulate material in imposing plot structures selecting starting and ending points and fashioning compelling literary characters from historical figures In Docu Fictions of War Tatiana Prorokova argues that the opposite is also true war fiction offers a kind of history that both documents its subjects and provides a snapshot of the cultural representation of the United States most recent military involvements She covers a largely neglected body of cinematic and literary texts about the First Gulf War the Balkan War the Afghanistan War and the Iraq War to open a fresh analysis of cultural texts on war Prorokova contends that these texts are not pure fiction but docu fictions works of imagination that can document their subjects while disclosing the social political and historical link between war and culture during the last three decades Docu Fictions of War analyzes how these representational narratives have highlighted a humanitarian rationale behind American involvement in each war whether the stated goals were to free the oppressed from tyranny stop genocide or rid the world of terrorism The book explores the gap between history what allegedly happened and the cultural mythology that is both true and inexact tangible and sensed recognized and undocumented **The Twentieth**
