**SoleFood** Adolph Joseph Jr.,2010-03 SoleFood writes not about his own experiences as many poets tend to do rather he enhances other s life experiences through words that enable you to connect on such a level that you can envision the words as they come to life    **Solefood**,2005-12-01 What if this what if that we all do it every second every day Otherwise we wouldn t be human This book was not designed to make you like or not like certain topics spoken on or touched upon It is to invite you into the universal minds that we all live in When I say universal minds I mean things that we all think about but not necessarily act upon or even mention to others As I began to write this book I knew that I wanted my readers to feel like there in that particular situation Whether the poem be a family poem Godly poem sexual poem love poem etc if the words don t run through your body as you read than I didn t do a good job writing and expressing these thoughts We as human beings have fantasies that we enjoy embracing within our own minds I thought to myself if we all have these images that seem so far from reality why not bring the thoughts of all to paper through my words to create these images for others as well My very close friends inspired me as well as family people I never even knew or knew for just a second of my life I want you to become intoxicated and obligated to setting your mind free [www.solefood27.com](http://www.solefood27.com)    [The Health Food Shopper's Guide](#)
