Solicitors Accounts A Practical Guide Legal Practice Course Guides:

Solicitors' Accounts Dale Kay, Janet Baker, 2003 *Solicitors' Accounts* provides a user friendly guide to a subject that often poses serious problems for students unfamiliar with the principles and practice of accounting. The easy to read format concisely explains the basic principles and how to apply them. Each accounting procedure to be learned is broken down into discrete manageable steps to aid learning. The book provides full coverage of double entry book keeping and final accounts of sole owners partnerships and companies. It also deals with the Solicitors Accounts Rules and the practical application of these in solicitors accounts including property and probate transactions. This new edition includes a number of new keynote summaries to aid student learning as well as a full range of examples and exercises that are ideal for students learning or consolidating their knowledge of accounts. It also includes an improved section on deposit interest and is fully cross referenced to the Law Society's Accounts Rules. *Solicitors' Accounts 2008-2009* Dale Kay, Janet Baker, 2008 Updated annually the Legal Practice Course guides are written by an expert team of qualified lawyers and current or former tutors for students on the Legal Practice Course. Each title provides a practical guide to the law practice and procedure at the heart of the individual subjects and explains the relevant substantive and procedural law. Where appropriate the guides contain sample precedents, documents and checklists and the series is accompanied by a variety of online resources. **BOOK JACKET**

Solicitors' Accounts 2006-07 Dale Kay, Janet Baker, 2006 *Solicitors Accounts* provides a user friendly guide to a subject that often poses serious problems for students unfamiliar with the principles and practice of accounting. **A Practical Guide to Lawyering Skills** Fiona Boyle, Deverall Capps, 2013-10-18 Lawyering skills are increasingly part of undergraduate law degrees as well as essential elements in the postgraduate vocational law courses the LPC and the BVC. This fully updated third edition continues to bring together the theory and practice of these skills in an accessible and practical context. The authors draw on their vast experience of law in practice to develop the core skills taught on both undergraduate and postgraduate courses. Skills covered include written communication, mediation, information technology, opinion writing, drafting, advocacy, interviewing, negotiation, legal research. Each chapter uses diagrams, boxes, lists and flow charts to further explain and develop each skill and ends with a further reading section. *A Practical Guide to Lawyering Skills* is essential reading for all undergraduate and vocational law students seeking to develop the necessary skills to work successfully with law in the twenty first century. *Practical Guide to Lawyering Skills* Fiona Boyle, 2003 This guide places the theory and practice of lawyering skills in an accessible and practical context. The book looks at how skills are taught and assessed both on undergraduate and vocational courses and helps students to see skills as an integral element of law. **Foundations for the LPC** George Miles, 1998 Intended for students studying on the Legal Practice Course this work explains the principles underlying legal practice. Topical examples and scenarios are used to illustrate key points and questions are used to test comprehension of core materials. *Law Books Published*, 2002 **Solicitors' Accounts 2007-2008** Dale Kay, Janet

Baker,2007 Solicitors Accounts provides a user friendly guide to a subject that often poses serious problems for students unfamiliar with the principles and practice of accounting It provides comprehensive up to date coverage of all areas required by the Law Society for business accounts and solicitors accounts on the Legal Practice Course including full coverage of double entry book keeping and final accounts of sole owners partnerships and companies It also deals with the Solicitors Accounts Rules and the practical application of these in solicitors accounts including property and probate transactions Each chapter starts with an overview of the areas to be covered and also states the learning objectives the student should aim to achieve At the end of each chapter there is a checklist of the key areas students must be able to understand followed by graded self test questions which suggest to the student how long they should spend completing them and what they should move onto next Written by experienced LPC tutors the guide is essential reading for students and reference source for practitioners
