Solomons Knife:

Knife's Edge Robert C. Stern, 2023-02-15 While the resounding American victory at Midway in June 1942 blunted Japanese momentum to a great extent it left the opposing forces precariously balanced particularly in the South Pacific In Knife's Edge Robert C. Stern provides an account of the Battles of the Eastern Solomons and the Santa Cruz Islands the two pivotal carrier air battles that followed the initial engagements at the Coral Sea and Midway between the U S Navy and the Imperial Japanese Navy Three U S aircraft carriers were sunk or badly damaged over the two months following Midway including USS Enterprise at the Battle of the Eastern Solomons Had it not been for the fortuitous arrival of USS Hornet at the end of August the Americans would have been without an aircraft carrier in the South Pacific until Enterprise returned from repairs on 24 October At that moment another major Japanese offensive was afoot again led by two large carriers this time supported by another light carrier and a mid sized merchant hull conversion The resulting Battle of the Santa Cruz Islands on 26 October 1942 was a solid tactical victory for the Japanese who managed to sink Hornet and once again damage Enterprise Stern has written a history of the two final early carrier battles fought between the U S Navy and Imperial Japan These pivotal battles coming after the triumph of the U S at Midway illustrate lessons learned from these earlier battles of the Pacific War Readers already familiar with the history of World War II at sea should find this account a riveting new look at a chapter of the Pacific War rarely covered until now

The Sword of Solomon Dr. Forrest L. Walker Sr., 2014-02-24 The Sword For the word of God is living and powerful and sharper than any two edged sword piercing even to the division of soul and spirit and of joints and marrow and is a discerner of the thoughts and intents of the heart Heb 4 12 In defining a sword we know that it is a bladed weapon used primarily for cutting or thrusting The sword consists of a straight blade with two edges usually extremely sharp The objective of a sword in battle was to maim or inflict painful and severe wounds to the body of their enemy by means of mangling mutilating and injuring to render the opponent helpless and if these methods were unsuccessful the last resort was to take the life of their opponent by killing Just as the natural sword had its uses even so the spiritual sword The natural sword may maim or kill physically while the spiritual sword renders the demonic host helpless through its destroying power We must always keep in mind as believers that we have authority through the word of God which is symbolized by the sword In history the sword is said to be the emblem of military honor such as in the medieval times when someone was honored as a knight by a monarch or political leader for service to their country This was carried out by touching the shoulders of the honored person with the sword Though there are many types of swords the main concept was the same throughout history to protect and defend In the above mentioned scripture the sword was used as a symbol of the word of God A proper sword in its making was tempered very carefully meaning that it was heated at a certain temperature beaten into form by a sword smith on an anvil and cooled at a predetermined degree to ensure its effectiveness The reason for fashioning the sword in this manner was to ensure that when the combatant entered into battle the sword

would be able to withstand all the attacks of their adversary by absorbing the shock of their weapons without shattering Even so when we re engaged in spiritual warfare we cannot afford to have our emotions interfere with the operation of the spiritual weaponry It is not the Word of God that ever falters but when one deals in unrighteousness such as forgiveness and bitterness these character flaws causes the word to become ineffective in our hands Just as the natural sword has to be tempered for effectiveness in battle in like manner we too must be tempered by bringing our bodies into subjection to the will of God Not being tempered enough in our selves gives the allusion that the sword is not pliable however it is we that are unstable and when the word is not activated in our lives this causes us to break as well Often times when dealing with conflict it may be difficult to discern who is telling the truth because the parties having the conflict are both liked in their circle of associates Before there were lie detectors there was God giving the discerning of spirits and the word of knowledge to help bring about truth The sword is also a discerner of the thoughts and intentions of the heart Let me share a story with you about a boy who said to a girl friend of his I will give you all of my marbles if you give me all of your candy So the night before the exchange the boy took out some of his favorite marbles The next morning the exchange was made but the young man was unsettled all day The question is why was he unsettled The reason was the boy had taken out some of his favorite marbles and was wondering if the girl had taken out some of her favorite candy The truth is if the girl had asked the boy if he had given her all the marbles and he said yes he would have lied The Sword of Solomon will teach you how the Word enables you to become more sensitive in the Spirit to rightly divide who is dealing with truth and who is dealing in deceit The sword as a discerner of truth is able to pinpoint whether something is proceeding out The Marine Corps Gazette ,1982 **The teacher's hand-book of slöjd, by O. Edwards III,2011-09-09 In todays multicultural atmosphere Christians struggle to hold steadfast to the Word of God Doubt sin and false teachers beckon at every turn and do their best to derail our faith Therefore Christians need to don the armor of God and yield His sword Rich in theological history and filled with hope The Sword and Shield reveals how Christians must embrace Gods word and stand firm in the belief of His eternal promise Using his extensive theological knowledge John W Edwards III shares his personal journey of faith and demonstrates how todays Christian crusaders must remain diligent against Satans relentless attacks Edwards examines the lives of several biblical leaders including Moses Daniel David and Paul to show how they anchored believers to Gods holy message He then discusses ways in which Christians can wield the sword of truth by knowing Gods message living within the character of Christ and preparing to be tested each day In this way Christians can apply their knowledge and discern between Gods truth and Satans lies We are not measured to man but measured to Gods word Find your truth within Gods word and prepare to draw your sword The teacher's hand-book of slöjd, by O.
