## **Soloveitchik Heritage:**

The Soloveitchik Heritage Shulamit Soloveitchik Meiselman, 1995 This memoir by his sister Shulamit Soloveitchik Meiselman describes the life of the family of Rabbi Moses Soloveitchik before they emigrated to the United States in order to allow Rabbi Moses to assume the post at the Rabbi Isaac Elchanan Rabbinical School of Yeshiva College until his life was tragically cut short and he was succeeded by his son Rabbi Joseph B Soloveitchik She also recounts the story of the family's antecedents its connection with Rabbi Hayyim of Volozhin and the Volozhiner Yeshiva as well as those of her mother's family the Feinsteins of whom Rabbi Moshe Feinstein was an eminent representative The Rav Aaron Rakeffet-Rothkoff, 1999 This first volume recounts the details of the lives of the Rav and his forebears This volume and the next constitute a scholarly attempt to detail the quests and ideas of one of the major personalities of modern American Jewish Orthodoxy Jacket

**Conscious History** Natalia Aleksin, 2021-07-08 Thoroughly researched this study highlights the historical scholarship that is one of the lasting legacies of interwar Polish Jewry and analyses its political and social context As Jewish citizens struggled to assert their place in a newly independent Poland a dedicated group of Jewish scholars fascinated by history devoted themselves to creating a sense of Polish Jewish belonging while also fighting for their rights as an ethnic minority The political climate made it hard for these men and women to pursue an academic career instead they had to continue their efforts to create and disseminate Polish Jewish history by teaching outside the university and publishing in scholarly and popular journals By introducing the Jewish public to a pantheon of historical heroes to celebrate and anniversaries to commemorate they sought to forge a community aware of its past its cultural heritage and its achievements though no less important were their efforts to counter the increased hostility towards Jews in the public discourse of the day In highlighting the role of public intellectuals and the social role of scholars and historical scholarship this study adds a new dimension to the understanding of the Polish Jewish world in the interwar period **Studies in Contemporary Jewry** Jonathan Frankel, 1998-02-05 Was the Holocaust a natural product of a long German history of Anti-Semitism Or were the Nazi policies simply a wild mutation of history not necessarily connected to the past Or does the truth lie somewhere in between This latest volume in the acclaimed Studies in Contemporary Jewry series edited by internationally known scholars at the Hebrew University in Jerusalem presents essays on the origins of the Holocaust The works in this volume are diverse in scope and opinion ranging from general philosophical discourses to detailed analyses of specific events and often reflecting the divergent ideologies and methods of the contributors But each adds to the whole and the result is a fascinating panorama that is sure to be indispensable to all students and scholars of the subject *Between Jewish Tradition and Modernity* Michael A. Meyer, David Myers, 2014-10-20 Bringing together leading Jewish historians anthropologists sociologists philosophers and liturgists *Between Jewish Tradition and Modernity* offers a collective view of a historically and culturally significant issue that will be of interest to Jewish scholars of many disciplines **Friendship in Jewish History, Religion,**

**and Culture** Lawrence Fine, 2021-01-07 The ubiquity of friendship in human culture contributes to the fallacy that ideas about friendship have not changed and remained consistent throughout history It is only when we begin to inquire into the nature and significance of the concept in specific contexts that we discover how complex it truly is Covering the vast expanse of Jewish tradition from ancient Israel to the twenty first century this collection of essays traces the history of the beliefs rituals and social practices surrounding friendship in Jewish life Employing diverse methodological approaches this volume explores the particulars of the many varied forms that friendship has taken in the different regions where Jews have lived including the ancient Near East the Greco Roman world Europe and the United States The four sections friendship between men friendship between women challenges to friendship and friendships that cross boundaries especially between Jews and Christians or men and women represent and exemplify universal themes and questions about human interrelationships This pathbreaking and timely study will inspire further research and provide the groundwork for future explorations of the topic In addition to the editor the contributors are Martha Ackelsberg Michela Andreatta Joseph Davis Glenn Dynner Eitan P Fishbane Susannah Heschel Daniel J tte Eyal Levinson Saul M Olyan George Savran and Hava Tirosh Samuelson The Torah U-madda Journal ,1999 **Modern Jewish Thinkers** Alan Levenson, 2000-09 But Modern Jewish Thinkers is more than a survey Each chapter includes a short judiciously chosen selection from the given author along with questions to guide the reader through the material Short biographical essays at the end of each chapter offer the reader recommendations for further readings and provide the low down on which books are worth the reader s further consultation and which are not
