The Banished Princess Kristi Hawes, 2017-04-03 In Nah Alba where all magic was once revered now is deeply feared Where magic was once free it was now punishable by death King Albion had turned his father's once peaceful kingdom into one of fear and terror Anyone and everyone accused of doing magic was put to death With the death of his sister and her family his world was now changing He was not responsible for the life of his crippled niece and when the accusations fly of her using magic his love is put to the test Will he put to death his beloved Aryana Or will he spare her life When she first came to live with Albion he thought she was too frail and weak to have magic As secrets are exposed and enemies are brought to light tragedy strikes Nah Alba again

ANThology 4 The Banished Princess James Malcolm, 2014-01-14 The flag was flapping held high in the air by Ricky as the ants rounded the corner of the barn on their new mission to save Rusty from the wrath of the queen Ricky couldn't have been happier after missing out on the last adventure because of his sore leg Digger and Luna raced across the dirt behind the barn along with their forty passengers The rescuers were on their way to the expanse of the field and the forest beyond which held the bleak colony of the Black Queen The rabbit and the mouse kicked up a cloud of dust as they galloped toward the fence line encompassing the grassy meadow The ants had become very familiar with the sights of the field having spent so much time exploring it from the ground or in the air on their past adventures While most of the ants had experienced the wild ride on the two critters there were a few rookies who spent as much time in the air as they did sitting down The new recruits hung on for dear life as they entered unfamiliar territory for the first time Supernatural Shakespeare J.
