Sol De Breda El:

The Dutch Revolt Through Spanish Eyes Yolanda Rodríguez Pérez, 2008 Historical and literary works from the Spanish Golden Age offer a wealth of information about the Spanish view of the conflict in the Netherlands during the Dutch Revolt and the ensuing Eighty Years War 1568 1648 The war in the cold north was to become a fixed component in the lives of the Spaniards of the Golden Age for many years This book reconstructs the images that the Spanish had of the Netherlands and its inhabitants These images are inextricably intertwined with the picture that the Spanish constructed of themselves as participants in the conflict This book follows the developments of these images from the construction of an image of the enemy that reached a climax between 1621 and 1648 and then gradually faded away Which images and representations circulated the most and where did they come from Which rhetoric was used to present them to the public and in which genres and contexts were they disseminated and preserved On the basis of a varied collection of sources war chronicles and plays as well as pamphlets poems historical works and prose writings the author illustrates the appearance of the Netherlands through Spanish eyes during the course of the Eighty Years War Arturo Pérez-Reverte Anne L. Walsh, 2007 The complex narrative technique of one of Spain's most renowned contemporary authors The writings of Arturo Pérez Reverte one of Spain's most renowned contemporary authors have been described as a minefield This monograph examines the complexities behind the narrative technique employed in creating such a minefield including an analysis of the role played by both male and female characters the relevance of the past as a motif and aspects of the role of storytelling in creating mystery where none should exist Both Revertian novels and journalistic writing are seen to be part of an overall game which is played between their author and his readers Film too forms part of the material reviewed as though Pérez Reverte is not a script writer many films have been based on his novels The text centred analysis concludes that the themes of interest in all Revertian output revolve around two main areas the significance of the past whether historical cultural or literary and the role of the written word in communicating in rescuing and in challenging versions of that past in order to combat what Pérez Reverte terms dismemory ANNE L WALSH lectures in Hispanic Studies at University College Cork A Companion to the Twentieth-century Spanish Novel Marta E. Altisent, 2008 The Spanish novel in a turbulent century This collection of studies by eighteen prominent theorists and critics offers a diverse panorama of the modern Spanish novel seen through the prism of Spain's recent political cultural and ideological history It considers the development of the novel as a social mirror and as a changing literary form torn between the tradition of stern realism and the aesthetics of rupture affecting all Western literature from the Avant Garde to the Postmodern age While some essays emphasise the Spanish cultural context and canonical writers others are of a broader nature grouping lesser known writers under certain literary tendencies the metaphysical novel the urban novel recuperative accounts of the Civil War feminine first person narrations and the rise of the popular detective historical and erotic novels Three studies address the resurgence of the Catalan Basque

and Galician novel and their departure from a poetics of identity to one of global concerns Interdisciplinary approaches address the reciprocal impacts of literature and cinema and the effects of the marketplace on the consumption of fiction are not forgotten The Companion provides ample bibliographies and a valuable chronology while all titles and quotations are translated into English Contributors Marta E Altisent Katarzyna Olga Beilin Ram n Buckley Jos F Colmeiro Stacey Dolgin Casado Sebastiaan Faber David K Herzberger Carlos Alex Longhurst Kathleen N March Cristina Mart nez Carazo Alfredo Mart nez Exp sito Nina L Molinaro Gonzalo Navajas Mari Jose Olaziregi Janet D P rez Randolph D Pope Josep Miquel Sobrer H Rosi Song **De Tachtigjarige Oorlog in Spaanse ogen** Yolanda Rodríguez Pérez,2003 Dissertatie waarin de Spaanse visie op de strijd in de Nederlanden ten tijde van de Tachtigjarige Oorlog behandeld worden **Digital Talking Books Plus** ,2009 **Bijdragen tot de geschiedenis** ,2003 Bulletin of the Comediantes Comediantes,2002 **Sol Invicto I** M.C.
