Soldier Boys A Novel:

The Soldier Boy ,1801 **The Soldier Boy** ,1801 **Soldier Boy** Keely Hutton,2017-06-13 An unforgettable novel based on the life of Ricky Richard Anywar who at age fourteen was forced to fight as a soldier in the guerrilla army of notorious Ugandan warlord Joseph Kony **Soldier Boy** begins with the story of Ricky Richard Anywar abducted in 1989 to fight with Joseph Kony s rebel army in the Ugandan civil war one of Africa s longest running conflicts Ricky is trained armed and forced to fight government soldiers alongside his brutal kidnappers but never stops dreaming of escape The story continues twenty years later with a fictionalized character named Samuel a boy deathly afraid of trusting anyone ever again Samuel is representative of the thousands of child soldiers Ricky eventually helped rehabilitate as founder of the internationally acclaimed charity Friends of Orphans Working closely with Ricky himself debut author Keely Hutton has written an eye opening book about a boy s unbreakable spirit and indomitable courage in the face of unimaginable horror This title has Common Core connections **Soldier Boy** ,1831 **The soldier boy** , ***Soldier Boys: Tales of the Civil War*** Jack Matthews,2016-04-04 Over the decades Jack Matthews collected memoirs and personal correspondence by actual U S Civil War soldiers Eventually this interest led him to write a group of stories from the vantage point of teenage soldiers The stories are less about specific Civil War battles or the horrors of war than about ordinary adventures and heartbreaks of young soldiers One soldier constantly composes new epitaphs for himself much to the irritation of his comrades A wounded soldier finds himself abandoned by his regiment and accidentally strikes up a friendship with a soldier from the other side One soldier starts seeing ghostly visions of his dead brother and wants to know why In the opening story a courier is sent by headquarters to deliver an urgent and tragic message only to learn that the local commander has forbidden him to deliver it In the final story two soldiers have to hunt down and stop a hidden sharpshooter nicknamed Old Mortality and in so doing have to face and understand their fears Told in an accessible humorous and even old fashioned way these stories have a philosophical bent and give readers a sense of how 19th century young Americans must have pondered their world This 8th story collection published posthumously is the first Jack Matthews story collection to be published in 23 years This special ebook edition is illustrated by Barbiel Matthews Sanders the author s daughter and includes two introductory essays by Personville editor Robert Nagle The author s website www.ghostlypopulations.com also contains a study guide for teachers and an annotated bibliography of Civil War fiction prepared especially for this ebook **The soldier boy** , **Soldier Boy** Brian Burks,1997 A boy who grew up in the slums of late nineteenth century Chicago runs away joins the cavalry and fights with General Custer in the battle of Little Big Horn **Soldier Boy** Michael Shaara,2016 **The Soldier Boy** Oliver Optic,1876 **The Soldier Boy** Oliver Optic,2017-10-05 This volume is not altogether a military romance though it contains the adventures of one of those noble hearted and patriotic young men who went forth from homes of plenty and happiness to fight the battles of our imperilled country The incidents of the story may be stirring and exciting yet they are not only within

the bounds of probability but have been more than paralleled in the experience of hundreds of the gallant soldiers of the loyal army The work is not intended to approach the dignity of a history though the writer has carefully consulted the authorities both loyal and rebel and has taken down the living words of enthusiastic participants in the stirring scenes described in this volume He has not attempted to give a full picture of any battle or other army operation but simply of those movements in which the hero took a part The book is a narrative of personal adventure delineating the birth and growth of a pure patriotism in the soul of the hero and describing the perils and privations the battles and marches which he shared with thousands of brave men in the army of the Potomac The author has endeavored to paint a picture of the true soldier one who loves his country and fights for her because he loves her but at the same time one who is true to himself and his God while he is faithful to his patriotic impulses The work has been a pleasure to me in its preparation and I hope it will not disappoint the reasonable expectation of those partial friends whose smile is my joy whose frown is my grief But more than all I trust this humble volume will have some small influence in kindling and cherishing that genuine patriotism which must ever be the salvation of our land the foundation of our national prosperity and happiness
