### **Soldier C Sas:**

*Marine E SBS* Doug Armstrong, 2015-12-20 As British sovereignty over Hong Kong entered its final years the prime concern of the colonial administration was to effect a smooth transition of power to China But for the Triads whose ruthlessness ensured their supremacy in the colony s thriving underworld it was business as usual Every night crammed with contraband their powerboats continued to run the gauntlet of police and Royal Marine patrols For Sergeant Des Cooper of the Special Boat Squadron a trip to Hong Kong offered a chance to revisit places he had got to know many years earlier He jumped at the opportunity to accompany an anti smuggling patrol but during a search of a vessel he uncovered a cargo far less predictable than the electrical goods that were usually seized Suddenly the spectre of nuclear weapons falling into the hands of terrorists looked menacingly real Cooper and his highly trained team would risk their lives in their bid to crush a plot that threatened not only Hong Kong but the entire globe This is classic military fiction at its best    *Marine I SBS* David Monnery, 2016-01-20 In 1995 in the aftermath of the First Gulf War a defector from Saddam Hussein s Iraq makes contact with the Western press He claims to have startling new information about an Iraqi nuclear weapons programme but suddenly he disappears without a trace Unwilling to risk a new war in the Gulf the West disregards him as a fraud but a key scientific advisor to the British government has other ideas When news of a hush hush project on a converted rig in the Caspian Sea breaks with reports of another disappearance this time of a nuclear missile expert the threads of an international plot are unravelled It soon becomes clear that there is only one group with the necessary skills to investigate Britain s legendary Special Boat Squadron Marine I SBS Escape from Azerbaijan finds the Squadron s finest in a corner of the old Soviet Union riven by war and lawlessness fighting for survival against the sadistic intelligence agents of Saddam s Mukhabarat and the heirs of the KGB This is classic military fiction at its best    *Marine F SBS* Robin James, 2015-12-20 When the Venezuelan freelance terrorist Arsenio Cruz broke out of prison he made straight for Barcelona Once there he was struck by photographs that paparazzi had snatched of the Princess of Wales currently holidaying off Spain on the yacht Mirabelle Indisputably worthy of his nickname El Asesino The Assassin Arsenio nevertheless decided to kidnap rather than kill the Princess spurred on by the thought of the biggest ransom ever demanded However in order for his plan to succeed he would have to go head to head with Major Zaki Fernandez of the elite Special Boat Service the very man who had put him behind bars all those years ago Marine F SBS Royal Target sees the legendary SBS tested to their very limits as they race against the clock to thwart one of the most audacious kidnappings of the 20th century This is classic military fiction at its best    *Marine H SBS* Ian Blake, 2016-01-20 Fresh from the 1943 Aegean Campaign explosives expert Sergeant Colin Tiger Tiller of the Royal Marines is selected to undergo covert training in a one man midget submarine fitted with a newly modified specialist weapon Posted to the Far East he enrolls in the Special Boat Section where he set about ruthlessly destroying Japanese supply ships among the crocodile infested mangrove swamps along the Arakan coast raiding enemy held islands and employing his deadly

skills on Burma's Irrawaddy River. There he receives special orders to use the midget submarine in his most dangerous raid yet. **Marine H SBS** The Burma Offensive based on real operations mounted during World War II recounts the death defying exploits of a group of highly trained individuals pitted against the armed might of the Japanese Empire. This is classic military fiction at its best.

**Marine G SBS** David Monnery, 2016-01-20 South China Sea 1995 Pirates rule the waves and ships are disappearing in deadly ocean blackspots. To combat these cut throats a SBS team is sent to Singapore to play a game of high stakes hide and seek across the tropical seas picking up a trail which leads them north towards Hong Kong. Meanwhile as the Communist Chinese takeover looms for the British colony Inspector Rosalie Kai is investigating a barbaric cross border trade in unwanted female babies. Soon both she and the SBS team find themselves in the underworld jungle up against a criminal organization that stretches from one end of the South China Sea to the other fighting rogue elements of the Indonesian Army corrupt policemen and the foot soldiers of the fearsome Triads. This is classic military fiction at its best.

**Marine L SBS** Ian Blake, 2016-02-25 In the aftermath of the Dunkirk evacuation in 1940 Roger Jumbo Pountney is ordered to form and train a small group of canoeists. Taking as his paddler and second in command Lieutenant Philip Ayton of the Royal Marines they command a body of men known as No 1 Special Boat Section who are as ruthless and independent as any that fought in World War II. They employ Folbot kayaks to get ashore from submarines to attack vital enemy targets in the Mediterranean and in these hazardous clandestine operations skill and stealth count just as much as bravery. It is in the midst of these battles that the reputation of the legendary SBS would be forged. Based on early SBS missions undertaken during World War II this is classic military fiction at its best.
