The Globe and Anchor Men Mark Ryland Folse,2024-04-18

Throughout the World War I era the United States Marine Corps efforts to promote their culture of manliness directed attention away from the dangers of war and military life and towards its potential benefits As a military institution that valued physical mental and moral strength the Marines created an alluring image for young men seeking a rite of passage into manhood Within this context the potential for danger and death only enhanced the appeal Mark Ryland Folse s *The Globe and Anchor Men* offers the first in depth history of masculinity in the Marine Corps during the World War I era White manhood and manliness constituted the lens through which the Marines of this period saw themselves how they wanted the public to see them and what they believed they contributed to society Their highly gendered culture helped foster positive public relations allowing Marines to successfully promote the potential benefits of becoming a Marine over the costs even in times of war By examining how the Marine Corps culture public image and esteem within U S society evolved Folse demonstrates that the American people measured the Marines usefulness not only in terms of military readiness but also according to standards of manliness set by popular culture and by Marines themselves The Marines claimed to recruit the finest specimens of American manhood and make them even better strong brave and morally upright They claimed the Marine would be a man with a wealth of travel and experience behind him He would be a proud and worthy citizen who had earned respect through his years of service training and struggle in the Marine Corps Becoming a Marine benefited the man and the new Marine benefited the nation As men became manlier the country did too

Soldiers of the Sea Robert Debs Heinl,1982

[A Soldier of the Great War](#) Mark Helprin,2005-06-01 An Italian septuagenarian recounts his life before and after World War I in this novel from the author of *Paris in the Present Tense* For Alessandro Giullani the young son of a prosperous Roman lawyer golden trees shimmer in the sun beneath a sky of perfect blue At night the moon is amber and the city of Rome seethes with light He races horses across the country to the sea and in the Alps he practices the precise and sublime art of mountain climbing At the ancient university in Bologna he is a student of painting and the science of beauty And he falls in love His is a world of adventure and dreams of music storm and the spirit Then the Great War intervenes Half a century later in August of 1964 Alessandro a white haired professor still tall and proud finds himself unexpectedly on the road with an illiterate young factory worker As they walk toward Monte Prato a village seventy kilometers distant the old man tells the story of his life How he became a soldier A hero A prisoner A deserter A wanderer in the hell that claimed Europe And how he tragically lost one family and gained another The boy is dazzled by the action and envious of the richness and color of the story and realizes that the old man s magnificent tale of love and war is more than a tale it is the

recapitulation of his life his reckoning with mortality and above all a love song for his family A testimony to the indomitable human spirit Highly recommended Library Journal **Soldiers of the Sea** Jon Waite,1943 **The Making of a Soldier of God** Jeffrey J. Hirscher,2008-03 The prophetic word went forth at the beginning of 2008 at our church and also is being declared across the nation concerning the promise for a new beginning for the Body of Christ Included is a command to get into position a command to get our personal lives lined up with the Word of God so we may be partakers of the promises of God but more importantly to draw near to God Are you a Christian but still feel unfulfilled Are you hungry for a close relationship with the Lord Do you know how to draw closer to the Lord Is the present shaking in the church unsettling you This book declares the path and reveals the disciplines that need to be established in our lives for the purpose of relationship with the Lord and becoming a soldier for God in the times that we live in Jeff Hirscher is an ordained minister with Christ For the World Ministries He has been a member of Christ for the World Church in Fort Smith Arkansas for the last 13 years He serves under Apostle and Pastors Bobby and Teresa Hogan Jeff Hirscher is currently an elder of the church and has served with his wife Carolyn as marriage counselors and had previously been involved in Bus Ministry as well as participated in various missionary trips to Mexico Currently he has been focused on the task that the Lord impressed upon him of reaching out to teach on being strong in the Lord and preparing and being ready for the Lord's imminent return

Harper's Young People ,1887 **The Japanese Soldiers in the Second World War** Keiichi Itō, Keiichi Itō bluntly writes from his own experience about the lives of Japanese soldiers at the front during the Second World War especially in China He combines interviews and testimonies to create a well rounded and candid picture that shows war from a personal and universal human perspective Such diverse topics as the soldiers battles and experiences prostitution and exchanges with the Chinese people are described The mentality of the Japanese people the building blocks of society and the military organization are also recognizable and subtly woven into the work
