**The Book of King Solomon** ,2005-08-01 The story of King Solomon as told by his court historian     **The Pillars of the First Temple (1 Kgs 7,15-22)** Daniel Prokop,2020-04-27 In this work Daniel Prokop examines the description of the pillars in 1 Kgs 7 15 22 He analyzes extrabiblical parallels Greek and Hebrew textual witnesses as well as iconography and archaeological finds and asks about the symbolic meaning of the columns     **King Solomon's Empire: The Rise, Fall, and**

**Modern-Day Influence of an Iron-Age Ruler** Archie W. N. Roy PhD,Margaret P. Roy,2022-10-18 King Solomon is known as the wisest and richest man to have ever lived but who was this man really Even though we read his words in the Bible this man who was the son of the man after God s own heart remains a mystery to this day Even his death is veiled in conspiracy theories How could a man who was granted his greatest wish by God Himself be so enamored with the pleasures of this world hungry for sex power and more wealth In King Solomon s Empire Archie and Margaret Roy take an in depth look into the life of the wise king and the kingdom he led Through this study the reader will come to understand the time in which King Solomon ruled enter into the temple that he built for his God and follow his path to a life of striving after wind While the mystery still remains unsolved perhaps the reader will come to learn some lessons from the man and avoid some of the pitfalls in their own life as there is truly nothing new under the sun     **Architectural Model as Machine** Albert

Smith,2007-03-30 This book offers an explanation of why scale models are important to the design process Albert Smith takes the reader through the history and significance of models in architecture from the magic of the Egyptian scale model to the present day Through this description of the relationship between architecture and the scale model Smith demonstrates the most effective process between concept and machine between the idea and the final building The great value of this book is to reveal the nature of the scale model and to unlock the tremendous potential of this design tool as a thinking and communicative advice His chronological analysis goes on from Egypt through Rome to the relationship between the Greek paradigm scale model and then on to Medieval and Renaissance models It concludes with the models of the Spanish architect Antonio Gaudi the Russian Constructivists the American architect Louis Khan and finally looks at the role of scale models in the present day through the work of the Polish American architect Daniel Libeskind and the American Frank Gehry     **Jesus as Mirrored in John** James H. Charlesworth,2018-12-13 James H Charlesworth begins from a burgeoning point of scholarly

consensus More and more scholars are coming to recognize that the Fourth Gospel is more historically complex than previously thought Charlesworth outlines two historical horizons within John On the one hand there is the Jewish background to the text complete with the evangelist s knowledge of Palestinian geography and Jewish customs which Charlesworth perceives as offering a window into pre 70 Palestinian Judaism On the other hand the gospel also reflects a post 70 world in which non believing Jews with more unity begin to part definitely with those who identified Jesus as the Messiah Split into four sections this volume first examines the origins of the Fourth Gospel its evolution in several editions and its setting in Judea and Galilee Charlesworth then looks specifically at the figure of Jesus and issues of history He proceeds to consider this Gospel alongside earlier and contemporaneous Jewish literature most notably the Dead Sea Scrolls Finally the volume engages with John s symbolism and language looking closely at key aspects in which John differs from the Synoptic Gospels and raising such provocative questions as whether or not it is possible that Jesus married Mary Magdalene From one of the New Testament s most noted scholars this book allows deeper understanding of the ways in which the Gospel of John is a vital resource for understanding both the origin of Christianity and Jesus position in history
