Solomons Gift:

Solomon's Gift Gerald Kaufman,2005-06 This book is for all parents It gives a look see at what God does for those who will raise their children in the nurture and admonition of the Lord **All the Miracles of the Bible** Herbert Lockyer,1988-09-26 This book discusses the supernatural in Scripture including the scope and significance of events and embodiments **Solomon** Walter Brueggemann,2024-07-16 Figures of legend and lore disclose much about the societies celebrating them In the ancient Israelite culture Solomon a man praised for his wealth wisdom and power is depicted as an example of enormous human achievement Looking beneath the surface of these claims Walter Brueggemann reveals an irony that permeates the tradition In this study of Solomon and his place in the larger consciousness of Israel Brueggemann considers what Old Testament narratives reveal about the ideals of the ancient Israelite people The tradition of Solomon becomes an arena for interpretive contestation in Israel and the text makes available not historical reportage but a conflicted pluralistic attempt to sort out the reality of human power in the matrix of covenantal faith Beyond the primary narrative of 1 Kings 3 11 Brueggemann evaluates the derivative traditions of Solomon in Ecclesiastes the Song of Solomon the Wisdom of Solomon and some of the Psalms He also considers references to Solomon in the New Testament and in extrascriptural traditions connected with and attributed to him Through close attention to nuances of the biblical text Brueggemann exposes the competing interpretive voices that claim to offer a reliable rendering of Solomon and invites critique of accepted beliefs

Morris** David Morris (B.A.),1876 **The Solomon Narratives in the Context of the Hebrew Bible** Sean E. Cook,2017-06-29 This book is concerned with ascertaining the value of having two versions of the same monarchic history of Israel within the Hebrew Bible focusing on the books of Kings and Chronicles It is furthermore concerned with how the book of Chronicles is read in relation to the book of Kings as Chronicles is so often considered to be a later rewritten text drawing upon an earlier version of the Masoretic Text of Samuel and Kings The predominant scholarly approach to reading the book of Chronicles is to read it in light of how the Chronicler emended his source texts additions omissions harmonizations This approach has yielded great success in our

understanding of the Chronicler's theology and rhetoric. However Cook asserts it has also failed to consider how the book of Chronicles can be read as an autonomous and coherent document. That is a diachronic approach to reading Chronicles sometimes misses the theological and rhetorical features of the text in its final form. This book shows the great benefit of reading these narratives as autonomous and coherent by using the Solomon narratives as a case study. These narratives are first read individually and then together so as to ascertain their uniqueness vis-à-vis one another. Finally Cook addresses questions related to the concordance of these narratives as well as their purposes within their respective larger literary contexts.
