## **Songs Of Nonsense:**

Songs of Nonsense Steve Price,2015-01-14 A small book of song lyrics The view points in this book are purely my own and in no way represent what others may or may not feel I see the world through my own eyes and with my own opinions and do not set out to mock or persuade anyone else I try to write what exactly I am feeling at the time I try not to change the original text I cannot write music and wish I could find someone to enhance what I have written I ask only of the reader to enjoy

**Children Dancing in Bali** Jonathan McIntosh,2025-05-01 The question of power and agency between children and adults within the context of traditional Balinese dance remains multilayered While adults exercise authority over children in formal settings an alternative dynamic exists outside the confines of traditional performance contexts where children operate as artistic agents In this illuminating ethnographic study of Balinese dance traditions Jonathan McIntosh examines how children navigate the nexus of practice performance and power through the medium of Balinese culture From structured dance classes to gatherings that embrace popular music Children Dancing in Bali spotlights the creative potential of Balinese performance practices to negotiate identity and society

Folk Song Style and Culture Alan Lomax,2017-07-12 Song and dance style viewed as nonverbal communications about culture are here related to social structure and cultural history Patterns of performance theme text and movement are analyzed in large samples of films and recordings from the whole range of human culture according to the methods explained in this volume Cantometrics which means song as a measure of man finds that traditions of singing trace the main historic distributions of human culture and that specific traits of performance are communications about identifiable aspects of society The predictable and universal relations between expressive communication and social organization here established for the first time open up the possibility of a scientific aesthetics useful to planners
