---

**MARY DURACK**

*A sequel to Kings in Grass Castles*

# Sons Of The Saddle

**Clifford Lane**

## **Sons Of The Saddle:**

**Sons of the Saddle** William MacLeod Raine, 1948      *Sons of the Saddle* Joseph P. Lash, 1973-08-07      **Sons in the Saddle** Mary Durack, 2002      **Sons in the Saddle** Wm. M. Raine, 1938      *Official Catalogue of the British Section of the Vienna Universal Exhibition 1873* Weltausstellung, 1873      **The Yorkshire Textile Directory and Engineers and Machine Makers' Advertiser**, 1890      **The Thousand and One Nights** Edward Stanley Poole, 1883      **The Ironmonger**, 1893      *La Cuisine Française* François Tanty, 1893      **Singing in the Saddle** Douglas B. Green, 2005

As the United States expanded west in the 1800s and cattle became big business the figure of the young brash cattleman who rode with the herds quickly emerged as a cultural icon Victorian Americans went crazy for cowboys snapping up dime store novels and sheet music and turning out in droves for Buffalo Bill Cody's Wild West Show It was only a matter of time before someone brought together these three facets entertainer singer and cowboy And when Carl T Sprague recorded the first hit cowboy record *When the Work's All Done This Fall* in 1925 the singing cowboy as we know him was born A singing cowboy himself Douglas B Green also known as Ranger Doug from the Grammy Award winning group Riders In The Sky is uniquely suited to write the story of the singing cowboy He has been collecting information and interviews on western music films and performers for nearly thirty years In this volume he traces this history from the early days of vaudeville and radio through the heyday of movie westerns before World War II to the current revival He provides rich and careful analysis of the studio system that made men such as Gene Autry and Roy Rogers famous and he documents the role that country music and regional television stations played in carrying on the singing cowboy tradition after World War II This book lavishly illustrated with over 140 photos is a wealth of information that comes out of decades of research Green has unearthed never before published photos and rare movie posters including one from an all Black western *Harlem on the Prairie* 1938 Through his close friendships with other singing cowboys and their families Green is able to provide rare insights into the ways that some like Autry became stars and others like Raoul Walsh who lost his eye in a shooting accident and later became a famous director did not Green also traces the history of cowboy music from popular songs such as *Sweet Betsy from Pike* to the instantly recognizable harmonies of the Sons of the Pioneers Green even speculates about just when the famous yodel became a ubiquitous part of the singing cowboy's repertoire More important Green reveals how the imagery of the singing cowboy has become such a potent force that even now country musicians don cowboy hats so as to symbolically take part in the legend Nowhere has the recorded history of the singing cowboy and the film history been collected in one volume and this book is sure to become the resource for students of the style Co published with the Country Music Foundation Press

**Saddlery and Harness**, 1895      **Record of failures and liquidations in the financial, international, wholesale and manufacturing branches of commerce ... in the United Kingdom ... 1865 to ... 1876. 1865 to 1884** Richard Seyd, 1885      **Official Record of the Centennial International Exhibition Melbourne**, 1890 also records of the manner

in which the work of the different sections of of the exhibition was carried out the official awards of the executive commissioners the catalogue of exhibits together with sundry illustrations      **Annual Report of the Department of Parks** Brooklyn (New York, N.Y.).
