Sorting It Out Cynthia Friedlob,2006-05 Does your heart race and your head ache when you look around your overcrowded home That s a Stuff Attack Do you feel overwhelmed by your possessions the minute you enter your front door That s Stuff Overload Does the standard advice from all those so called organizing experts just make you want to crawl back under the bedcovers Don t give up Author Cynthia Friedlob tackles the issue of too much stuff head on from a fresh funny and totally sympathetic point of view A self confessed Stuff Sufferer she recounts stories of her own frustrating battles with too many possessions and offers some down to earth advice to set you on the road to Stuff Freedom So don t despair Help and humor are finally on the way from a woman who s been there organized that and lived to tell the tale *Progressives, Patterns, Pedagogy* Ute Römer,2005-01-01 This book presents a large scale corpus driven study of progressives in real English and school English combining an analysis of general linguistic interest with a pedagogically motivated one A systematic comparative analysis of more than 10 000 progressive forms taken from the largest existing corpora of spoken British English and from a small corpus of EFL textbook texts highlights numerous differences between actual language use and textbook language concerning the distribution of progressives their preferred contexts favoured functions and typical lexical grammatical patterns On the basis of these differences a number of pedagogical implications are derived the integration of which then leads to a first draft of an innovative concept of teaching progressives a concept which responds to three key criteria in pedagogical description typicality authenticity and communicative utility The analysis also demonstrates that many existing accounts of the progressive are inappropriate in several respects and that not enough attention is being paid to lexical grammatical relations Winner of the Wissenschaftspreis Hannover 2006 for outstanding research monographs
