

The Antitheatrical Prejudice

I

MOST epithets derived from the arts are laudatory when applied to the other arts, or to life. If one describes the quality of a landscape as "poetic," or a man's struggle with adversity as "epic," or a woman's beauty as "lyric," one is using terms of praise. In the movie comedy *The Lady Eve*, an affected matron expressed her appreciation of a dinner by declaring that "the fish was a poem"—obviously the most rapturous word of approval she could come up with. Similarly, terms like "musical," "symphonic," "graphic," "sculptural" (or "sculpturesque") tend to be eulogistic.

But with infrequent exceptions, terms borrowed from the theater—"theatrical," "operatic," "melodramatic," "stagey," etc.—are applied in a hostile sense. Surrounding these, we find a wide range of expressions drawn from theatrical activity to indicate disapproval: "acting," "play-acting," "playing up to," "putting on an act," "putting on a performance," "making a scene," "making a spectacle of oneself," "playing to the gallery," and so forth. Nor are such terms confined to English. The French speak belittlingly of those who "jouent la comédie," or dismissingly of an action that it was merely "*du théâtre*." One does not, in Italian, if one is behaving well, "*fare la commedia*" or "*fare il pulcinella*," nor does one, in German, "*sich in Szene setzen*" or "*sich in den Vordergrund spielen*." The European languages swarm with such expressions, and most of them are pejorative. They embody, in current idioms, the vestiges of a prejudice against the theater that goes back as far in European history as the theater itself can be traced. Thespis, who gave his name to the art of acting, was called a liar by Solon, because acting involved feigning,¹ and Plato, in *The Republic*, notoriously made Socrates the spokesman of a radical mistrust of plays and players.

II

The really bulky and sustained literature against the stage, however, commences with the writings of the Church fathers, and from their time until recently the history of the antitheatrical prejudice has consisted largely of ecclesiastical efforts to suppress

The Antitheatrical Prejudice

Albert A Gayle

The Antitheatrical Prejudice:

The Antitheatrical Prejudice Jonas A. Barish, 1985-01-01 Six young people discuss their feelings about their own ethnic backgrounds and about their experiences with people of different races [The Anti-Theatrical Prejudice: New Edition](#) Jonas Barish, 2024-11-19

Humanism, Drama, and Performance Hana Worthen, 2020-10-13 This book examines the appropriation of theatre and theatrical performance by ideologies of humanism in terms that continue to echo across the related disciplines of literary drama theatre and performance history and studies today. From Aristotle onward theatre has been regulated by three strains of critical poiesis the literary segregating theatre and the practices of the spectacular from the humanizing work attributed to the book and to the internality of reading the dramatic approving the address of theatrical performance only to the extent that it instrumentalizes literary value and the theatrical assimilating performance to the conjunction of literary and liberal values. These values have been used to figure not only the work of theatre but also the propriety of the audience as a figure for its socializing work along a privileged dualism from the aestheticized ensemble harmonizing actor character and spectator to the essentialized drama to the politicized assembly theatre understood as an agonistic gathering

Psychology and Performing Arts G.D. Wilson, 1991-01-01 **Poetics and Politics** Toni Bernhart, Jaša Drnovsek, Sven Thorsten Kilian, Joachim Küpper, Jan Mosch, 2018-08-21 Far from teleological historiography the pan European perspective on Early Modern drama offered in this volume provides answers to why, how, where and when the given phenomena of theatre appear in history. Using theories of circulation and other concepts of exchange, transfer and movement the authors analyze the development and differentiation of European secular and religious drama within the disciplinary framework of comparative literature and the history of literature and concepts. Within this frame aspects of major interest are the relationship between tradition and innovation, the status of genre, the proportion of autonomous and heteronomous creational dispositions within the artefacts or genres they belong to, as well as strategies of functionalization in the context of a given part of the cultural net. Contributions cover a broad range of topics including poetics of Early Modern Drama, political, institutional and social practices, history of themes and motifs, Stoffgeschichte, history of genres, cross fertilization between genres, textual traditions and distribution of texts, questions of originality and authorship, theories of circulation and net structures in Drama Studies

[Death in Quotation Marks](#) Svetlana Boym, 1991 **The Trouble With Art** Roger Sansi, Jonas Tinius, 2024-10-31 Art troubles anthropology. Anthropologists have often taken a philistine, sceptical position of distance towards art and aesthetics as a predominantly Western bourgeois institution. But art not only as a Western institution generated its own philistine and iconoclastic revisions and undoings; its anti-art that have engaged anthropology into its theory and practice. Anthropology is thus part of the trouble with art. But trouble doesn't necessarily obfuscate it; it can also reveal and render visible fault lines and problems. Troubles can be assemblages of disparate and even contradictory parts that paradoxically do work together. This volume proposes an anthropology that moves beyond

philistinism and the contradictions between critical anthropologies of art and collaborative and experimental anthropologies with art **Performing Ethics in English Revenge Drama** Noam Reisner,2024-06-27 An investigation of how Renaissance English revenge drama carried out important ethical work through audience participation and metatheatre

Jean-Jacques Rousseau: Politics, art, and autobiography John T. Scott,2006 Bringing together critical assessments of the broad range of Rousseau's thought with a particular emphasis on his political theory this systematic collection is an essential resource for both student and scholar **Closet Drama** Catherine Burroughs,2018-09-03 Closet Drama History Theory Form introduces the emerging field of Closet Drama Studies by featuring twelve original essays from distinguished scholars who offer fresh and illuminating perspectives on closet drama as a genre Examining an unusual mix of historical narratives performances and texts from the Renaissance to the present this collection unleashes a provocative array of theoretical concerns about the phenomenon of the closet play a dramatic text written for reading rather than acting **Narrative Skepticism** Linda Schermer Raphael,2001 Using narrative philosophical and psychoanalytic theory Linda S Raphael investigates the development of skepticism in narrative She argues that as authors explore more deeply the inner life of characters their narratives become more skeptical about pinning down what it means to lead a good life This argument is buttressed through a close examination of Jane Austen's Persuasion George Eliot's Middlemarch Henry James's The Wings of the Dove Virginia Woolf's Mrs Dalloway and Kazuo Ishiguro's The Remains of the Day **In Memoriam**,1998 "Edified by the Margent" Stephen C. Petersen,1993 *Romanticism Writing and Sexual Difference* Mary Jacobus,1989 A re reading of The Prelude in the light of post structuralist and feminist theory this is the first major study by an author distinguished both as a Wordsworthian and as a feminist critic **The Economy of Human Relations** Joseph D. Falvo,1992 This book offers a modern critical approach to the study of Baldesar Castiglione's Libro del Cortegiano 1528 a monumental work which reflects par excellence the culture and ideals of the Italian Renaissance Generally interpreted in idealistic terms Il Cortegiano has been placed in the history of Castiglione criticism far from the realism and pragmatism of Machiavelli's Il Principe 1513 Thoroughly based on a close reading of the primary sources including the often neglected early versions of the treatise this book challenges the traditional notion of Il Cortegiano as an abstract work of art Through a careful analysis of the structural changes and thematic developments that occur in the treatise this book shows that the primary object of Il Cortegiano is to describe the ways in which despotism exerts its power and influence within the court under the veil of figurative language

The Actor's Freedom Michael Goldman,1975 The author draws on maoism shamanism pagan and Christian religious traditions plus psychology and psychiatry to demonstrate how much more acting means than mere imitation **The Culture Wars of the Late Renaissance** Edward Muir,2007-05-15 Muir explores an era of cultural innovation that promoted free inquiry in the face of philosophical and theological orthodoxy advocated libertine morals critiqued the tyranny of aristocratic fathers over their daughters and expanded the theatrical potential of grand opera In so doing he reveals the

distinguished past of today s culture wars **The Desperate Politics of Postmodernism** Henry S. Kariel,1989 In this provocative book Kariel offers a pessimistic meditation on the postmodern art and aesthetics that have emerged in reaction to the oppressive structures of our society and that represent he feels a desperate effort to revive that which is deadened by technology and instrumentalism Kariel identifies a pragmatic aesthetics that links playful activities in all domains arguing that only by fusing spontaneous and instrument action and by continually deconstructing reviewing and regrouping our centering sources can we defuse the oppressive elements of our modern cultural landscape *Journal of Dramatic Theory and Criticism* ,2011 American Literary Scholarship 1981 American Literary Scholarship,1982-06 Essayists survey the recent thought and research concerning outstanding authors trends and movements in American literature

The Antitheatrical Prejudice Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Antitheatrical Prejudice has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Antitheatrical Prejudice has opened up a world of possibilities. Downloading The Antitheatrical Prejudice provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go.

Moreover, the cost-effective nature of downloading The Antitheatrical Prejudice has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Antitheatrical Prejudice. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Antitheatrical Prejudice. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Antitheatrical Prejudice, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Antitheatrical Prejudice has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By

doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Antitheatrical Prejudice Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What is the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Antitheatrical Prejudice is one of the best book in our library for free trial. We provide copy of The Antitheatrical Prejudice in digital format, so the resources that you find are reliable. There are also many eBooks related with The Antitheatrical Prejudice. Where to download The Antitheatrical Prejudice online for free? Are you looking for The Antitheatrical Prejudice PDF? This is definitely going to save you time and cash in something you should think about.
