**A History of the African American People** James Oliver Horton, Lois E. Horton, 1997 An illustrated collection of essays on the history of African Americans In their long history African Americans have created a rich complex and highly diverse culture A History of the African American People makes available more than a generation of scholarship written by some of the most distinguished historians in America Their work examines the social and communal institutions that have sustained African Americans and strengthened their spiritual and cultural life Specially commissioned photographs of artifacts reveal the richness of cultural traditions and hundreds of historic photographs and paintings enhance the work still further creating a magnificent illustrated history

**A History of the American People** Norman A. Graebner, Gilbert Courtland Fite, Philip L. White, 1975 *Teaching American History* Glenn M. Linden, Matthew T. Downey, 1975 *Multitribal Indians In Search of No Man's Land* Carla Toney, 2022-12-12 During the American westward expansion Chickamaugans originally Cherokees prioritized resistance to the U S government and Euro American invaders They signed treaties with Great Britain and Spain Overlooked by scholars it was the diplomatic savvy of Chickamaugan women and the support of their numerous allies British loyalists free persons of color former slaves and Native Americans from other nations that made it possible for Chickamaugan resistance to last from 1775 to 1794 Carla Toney proves that after the collapse of their resistance many chose migration not as individuals but in migration clusters She clearly elucidates the feudal patterns brought to the United States the cultural fluidity of Indigenous nations and migration as a form of resistance

**El-Hi Textbooks in Print ,1982 The Overseers of Early American Slavery** Laura R. Sandy, 2020-04-03 Enmeshed in the exploitative world of racial slavery overseers were central figures in the management of early American plantation enterprises All too frequently dismissed as brutal and incompetent they defy easy categorisation Some were rogues yet others were highly skilled professionals farmers and artisans Some were themselves enslaved They and their wives with whom they often formed supervisory partnerships were caught between disdainful planters and defiant enslaved labourers as they sought to advance their ambitions Their history revealed here in unprecedented detail illuminates the complex power struggles and interplay of class and race in a volatile slave society
