The Androgyne Journal:

The Androgyne Journal James Broughton,1977 Journal ,1985 **Discourse and the Construction of Society** Bruce Lincoln,2014 In this new edition of his seminal theoretical work on myth ritual and classification Bruce Lincoln explores the ways in which these narratives and practices hold human societies together and how in times of crisis they can be used to take a society apart and reconstruct it The second edition includes three new chapters new images and an updated bibliography *The Female Androgyne in Tragic Drama* Sheila Clemon-Karp,1980 Reading Desire Debra Moddelmog,1999 Whether revered for his masculinity condemned as an icon of machismo or perceived as possessing complex androgynous characteristics Ernest Hemingway is acknowledged to be one of the most important twentieth century American novelists For Debra A Moddelmog the intense debate about the nature of his identity reveals how critics desires give shape to an author s many guises In her provocative book Moddelmog interrogates Hemingway s persona and work to show how our perception of the writer is influenced by society s views on knowledge power and sexuality She believes that recent attempts to reinvent Hemingway as man and as artist have been circumscribed by their authors investment in heterosexist ideology she seeks instead to situate Hemingway s sexual identity in the interface between homosexuality and heterosexuality Moddelmog looks at how sexual orientation gender race nationality able bodiedness and the intersections of these elements contribute to the formation of desire Ultimately she makes a far reaching and suggestive argument about multiculturalism and the canons of American letters asserting that those who teach literature must be aware of the politics and ethics of the authorial constructions they promote *Gender and Nonverbal Behavior* C. Mayo,N. M. Henley,2012-12-06 This book addresses two lively and active research communities those concerned with issues of gender and those dealing with nonverbal behavior The wide range of professional and popular interest in both these topics convinced us that presentations of current work by researchers who bring these two areas of research together would prove stimulating These presentations not only address the state of current work on gender and nonverbal behavior but also suggest new avenues of investigation for those interested primarily in either topic In other words the questions that nonverbal communication researchers address when considering gender bring new directions to gender related research and a like effect can be expected when the questions raised in gender studies are applied to research in nonverbal behavior Dispersion of ideas may take another form as well Both gender and nonverbal behavior research are notably interdisciplinary Perhaps because of their pervasive nature both topics have attracted the attention of a diversity of scholars Most of the contributions in the present volume are by psychologists but their intended audience is broad Linguists sociologists and anthropologists are among those who share similar research interests Moreover the ideas presented here are of interest to practitioners as well as scholars From corporations to clinics people are interested in the subtle expression and negotiation of sex roles through non verbal communication **The Journal of Jewish Thought & Philosophy** ,1995 Journal of Pre-Raphaelite

Studies ,1999 *Lippincott's Monthly Magazine* ,1887 *Romance Notes* ,1996 *Teratologia: a Quarterly Journal of Antenatal Pathology* John William Ballantyne,1894 *Millennium Film Journal* ,1978 *Journal of the Transactions of the Victoria Institute, Or Philosophical Society of Great Britain* ,1878 *The Aesthetics of Androgyny in Balzac and Woolf, Or, The Difference of Difference* Kari Weil,1985 *Notes and Queries* William John Thoms,1893 **Journal of the American Musicological Society** American Musicological Society,1994 **The China Review, Or, Notes and Queries on the Far East** ,1876 **The American Journal of Science** ,1876 The American Journal of Science Mrs. Gambold,1876 The American Journal of Science and Arts ,1876
