The Anti Redeemers:

The Redeemers Return A.W Pink,2017-10-14 This book is designed mainly for those who are beginners in the study of prophetic and dispensational truth though should it fall into the hands of those who are looking for that blessed hope and the glorious appearing of our great God and Saviour Jesus Christ and who have perhaps for years been giving earnest heed to the more sure Word of prophecy we trust that it will afford meat in due season and stimulate praise to God for the marvelous and blessed prospect which His Word sets before us Many books have already appeared before the public presenting in clear and Scriptural language the various aspects of the subject of our Lord s Return and we hesitated long before we decided to add one more to the number The different chapters in this volume have been given by the writer in sermon and lecture form to numerous audiences both in this country and in England and it is only the repeated requests of many of those who have heard these addresses which has caused us to now set them down in writing **The divine Redeemer and His Church**

Edward Douglas,1896 **Short of a Revolution** Craig Thurtell,2026-01-13 Chronicling the rise and fall of North Carolina s fusion movement this book illuminates an intricate interplay between politics economic agendas and racism It examines how wealthy agriculturalists industrialists lawyers merchants and railroad leaders manipulated the state s political economic and social structures to assert dominance and maintain white supremacy undermining the power gained by African Americans during Reconstruction By the mid 1890s however Black and white Republicans and supporters of the smaller Peoples Party formed a coalition known as fusion upending two decades of the Democratic Party s white elite political domination in North Carolina After four years the Democratic Party mobilized under the menacing banner of white supremacy and led by conservative pro business white people restored the party s control over the state government Craig Thurtell contends that an examination of this period reveals that race was not the sole factor in the Democratic Party s quest for control Instead elite white men sought to establish a new social order influenced by class divisions and Short of a Revolution provides a comprehensive analysis of these dynamics revealing the multifaceted motivations behind the political shifts of late nineteenth century North Carolina
