feasts 1 What kind of religion did the Hawaiians create that made them develop so fast Which gods and ghosts did they invent to explain the natural phenomena they didn't understand or they filled with their imagination Through summarizing the main Hawaiian gods and goddesses below I will give the necessary basis of knowledge to analyse the interdependent relationship between them and the Hawaiian people This mutual influence abounds mainly in legends and songs in worship and in the structure of the Hawaiian society In conclusion the results are brought together to decide how much the religion influenced ancient Hawaiian society and how distinctive the relationship between men and gods was In doing so I will basically refer to Martha Beckwith's book Hawaiian mythology from 1940 Musical Courier, 1952 Vols for 1957-61 include an additional mid-January no-called Directory issue 1st-5th ed The 6th ed was published as the Dec 1961 issue
