The Gods Distribute Divinity:

Sex As Symbol Ph. D. Alvin Kuhn, 2005-12-01 There is a fell quality to the mating urge that gives it the force of a natural and unimpeachable authority which appears for a time to sweep away every obstacle and override the obstructing power of every consideration whether of advantage or injury It carries a virtual cosmic sanction with it from Love and Hate How does gender and the sex drive manifest itself across human cultures How is the dual nature of humanity male and female spiritual and physical animal and divine expressed in the tangible world Alvin Boyd Kuhn a prominent proponent of the early 20th century doctrine of theosophy which sought to find the universal truths that underlie all human religions here explores the hidden connections across cultures that unify rites and customs found around the globe circumcision the secondary status of women myths about communion with deities and more In fluid prose that approaches a stream of consciousness reverie this treatise seeks to uncover a fundamental basis for human ideas about sex gender and love American philosopher and scholar of comparative religion ALVIN BOYD KUHN 1880 1963 is also the author of Theosophy 1930 and The Lost Light 1940

The Lost Light: An Interpretation of Ancient Scriptures Alvin Boyd Kuhn, 2021-11-09T22:55:00Z Kuhn contended that the Bible derived its origins from other Pagan religions and that much of Christian history was pre extant as Egyptian mythology He also proposed that the Bible was symbolic and did not depict real events and argued that the leaders of the church started to misinterpret the bible at the end of the third century These controversial ideas outside of mainstream history and theology are rejected by most pre eminent scholars but many including Tom Harpur and John G Jackson were influenced by the works of Kuhn Harpur even dedicated his best selling 2004 book The Pagan Christ to Kuhn calling him a man of immense learning and even greater courage and one of the single greatest geniuses of the twentieth century who towers above all others of recent memory in intellect and his understanding of the world s religions *The Interpretation of The Meaning of The Holy Quran Volume 55 - Surah Fatir* Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English Currently there is a great misunderstanding about Islam among Muslims and non Muslims globally The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims The wrong actions of the Muslims have led to many miseries and wars among Muslims The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims In order to avoid miseries wars and clashes from taking place between the whole mankind in the whole world the whole mankind in the whole world need to understand the true teaching of Islam There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and

understand the correct interpretation of the Holy Quran The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world English For this very reason I have written the interpretation of the Holy Quran in English Prof Nasoha Bin Saabin **The Gospels distributed into**
