## **The Jade Chalice:**

Journey to the West, Volume 3 Cheng'en Wu, 1977 The Journey to the West volume 3 comprises the third twenty five chapters of Anthony C Yu's four volume translation of Hsi Yu Chi one of the most beloved classics of Chinese literature. The fantastic tale recounts the sixteen year pilgrimage of the monk Hsuan Tsang 596-664 one of China's most illustrious religious heroes who journeyed to India with four animal disciples in quest of Buddhist scriptures. For nearly a thousand years his exploits were celebrated and embellished in various accounts culminating in the hundred chapter Journey to the West which combines religious allegory with romance fantasy humor and satire

**Merlin Dialogues** Ed Lewis, 2024-06-04 So much to know Merlin pondered. Wisdom is the key to the shaman's journey healing the goal. Meaning purpose love and relationship to earth and God at some time in life everyone is exposed to these Shamans however must plumb their depths and ascend their heights as these are urgent and essential to the journey like cardinal points on the compass. So much danger he realized He had only these few nights to mentor them on how to protect themselves. At best he had only a short time before they would return to their twenty first century and preserve history as we know it. At worst he had only a few nights before she found them. She who wanted to kill them to see that they never learned at all. *The Merlin Dialogues* by Dr Ed Lewis brings to life the journey of five kids from the 21st century back to sometime in the 6th century. Traveling well off the road that led to Tintagel Castle Deep in the woods there was no relief from the knowledge that they were being hunted like prey. Sitting around a campfire after dark Merlin announces The time has come to gift you with your shaman names. Shaman names represent who you now are who you are to become in the future and also identify your animal helpers. Seamless transitions between story teller and dialogue weave a magical and mystical allegory as cousins learn in the 6th century about themselves each other and more importantly about life love being and Being as well as about Mother Earth and the perils of ever worsening climate damage. Steve White CEO multi client communications business Rockport Maine Merlin is both enchanted and enchanting a consciousness sorely wanted by our present culture. Merlin teaches the kids to come to trust their own intuitions so that their guide is inside the place where Merlin lives. I'm sure that young readers will get the spirit of this through journeying through your story. At the end of the day we are meant to make our own personal take on life something that is therefore unique and all the more valuable for that.
