*The Animal Family* Randall Jarrell, 1965      **The Sands of Time** Jenny Plastow, Margot Hillel, 2010

Children's Literature Has always been produced by radicals and reformers Critical analysis of their views and methods is a fascinating and increasingly contested new field Bringing together a range of perspectives from established academics well known children's writers and students of children's literature this collection provides an unusual and challenging read Whether you are interested in how writers present the lives of working children in nineteenth century America how picture books challenge and subvert the political stance of contemporary Australia or how issues in Kenya or Palestine can become the material of children's fiction there are plenty of ideas to explore

**Randall Jarrell and His Age** Stephanie Burt, 2005-04-06

Randall Jarrell 1914-1965 was the most influential poetry critic of his generation He was also a lyric poet comic novelist translator children's book author and close friend of Elizabeth Bishop Robert Lowell Hannah Arendt and many other important writers of his time Jarrell won the 1960 National Book Award for poetry and served as poetry consultant to the Library of Congress Amid the resurgence of interest in Randall Jarrell Stephen Burt offers this brilliant analysis of the poet and essayist Burt's book examines all of Jarrell's work incorporating new research based on previously undiscovered essays and poems Other books have examined Jarrell's poetry in biographical or formal terms but none have considered both his aesthetic choices and their social contexts Beginning with an overview of Jarrell's life and loves Burt argues that Jarrell's poetry responded to the political questions of the 1930s the anxieties and social constraints of wartime America and the apparent prosperity domestic ideals and professional ideology that characterized the 1950s Jarrell's work is peopled by helpless soldiers anxious suburban children trapped housewives and lonely consumers *Randall Jarrell and His Age* situates the poet critic among his peers including Bishop Lowell and Arendt in literature and cultural criticism Burt considers the ways in which Jarrell's efforts and achievements encompassed the concerns of his time from teen culture to World War II to the Cuban Missile Crisis the book asks too how those efforts might speak to us now

**The Cure of Poetry in an Age of Prose** Mary Kinzie, 1993-07-15

The role of the poet Mary Kinzie writes is to engage the most profound subjects with the utmost in expressive clarity The role of the critic is to follow the poet word for word into the arena where the creative struggle occurs How this mutual purpose is served ideally and practically is the subject of this bracingly polemical collection of essays A distinguished poet and critic Kinzie assesses poetry's situation during the past twenty five years Ours she contends is literally a prosaic age not only in the popularity of prose genres but in the resultant compromises with truth and elegance in literature In essays on the rhapsodic fallacy confessionalism and the romance of perceptual response Kinzie diagnoses some of the trends that diminish the poet's flexibility Conversely she also considers individual poets Randall Jarrell Elizabeth Bishop Howard Nemerov Seamus Heaney and John Ashbery who have found ingenious ways of averting the risks of prosaism and preserving the special character of poetry Focusing on poet Louise Bogan and novelist J M Coetzee Kinzie identifies a crucial and curative overlap between the

practices of great prose writing and great poetry In conclusion she suggests a new approach for teaching writers of poetry and fiction Forcefully argued these essays will be widely read and debated among critics and poets alike Conversations with Maurice Sendak Peter C.
