*The Apothecary in Colonial Virginia* Harold B. Gill, 1972      **Apothecaries and the Drug Trade** American Institute of the History of Pharmacy, 2001      **Historical Dictionary of Colonial America** William A. Pencak, 2011-07-15 The years between 1450 and 1550 marked the end of one era in world history and the beginning of another Most importantly the focus of global commerce and power shifted from the Mediterranean Sea to the Atlantic Ocean largely because of the discovery of the New World The New World was more than a geographic novelty It opened the way for new human possibilities possibilities that were first fulfilled by the British colonies of North America nearly 100 years after Columbus landed in the Bahamas The Historical Dictionary of Colonial America covers America's history from the first settlements to the end and immediate aftermath of the French and Indian War This is done through a chronology an introductory essay appendixes an extensive bibliography and over 400 cross referenced dictionary entries on the various colonies which were founded and how they became those which declared independence Religious political economic and family life important people warfare and relations between British French Spanish and Dutch colonies are also among the topics covered This book is an excellent access point for students researchers and anyone wanting to know more about Colonial America      **The East Indian** Brinda Charry, 2024-04-09 Meet Tony insatiably curious deeply compassionate with a unique perspective on every scene he encounters Kidnapped and transported to the New World after traveling from the British East India Company's outpost on the Coromandel Coast to the teeming streets of London young Tony finds himself in Jamestown Virginia where he and his fellow indentured servants boys like himself men from Africa a mad woman from London must work the tobacco plantations Orphaned and afraid Tony initially longs for home But as he adjusts to his new environment finding companionship and even love he can envision a life for himself after servitude Set during the early days of English colonization in Jamestown before servitude calcified into racialized slavery The East Indian gives authentic voice to an otherwise unknown historic figure and brings the world he would have encountered to vivid life      Revolutionary Medicine C. Keith Wilbur, 1997-10-01 Here are the struggles the strategies the odd treatments and the theories the limited amount of physicians used when the Revolutionary War exploded      **A History of American Medicine from the Colonial Period to the Early Twentieth Century** Luis H. Toledo-Pereyra, 2006 Despite the establishment of the first medical school in British ruled America in 1765 Toledo Pereyra surgery Michigan State U Borgess Research Institute Kalamazoo asserts that medical education in the states was not up to the task of adequately preparing physicians until the end of the 19th century In this medical history for college and medical students he traces American healthcare from early settlers encounter with Native Indian medicine to the advances marking the modern era Illustrations feature early hospitals the first woman to receive a MD from an American medical school Elizabeth Blackwell a pioneering African American surgeon educator Daniel Hale Williams other pioneers in the field and early medical procedures c From publisher's description      Lippincott's Monthly Magazine ,1898
