compromise listening and understanding Let's be honest and admit that it's also about the sex Sexuality in a long term relationship or marriage can dwindle over the years If we have children their arrival can change the nature of our sexuality First and foremost is the inevitable transformation of our roles from life long lovers to parents and guardians There's also the stress of child rearing The baby who won't go to sleep The dirty nappies The shift of focus from each other to the new life that demands our care and attention Some say sexuality between long time partners can be re ignited by spicing things up Costumes saucy talk and sex aids can come into play to perhaps make things more fun But what's really at the basis of your love What's really the true cornerstone of your relationship Is there something deeper you can draw on as a resource to lift up your sexuality and make it as enduring as the love you share It can be hard to believe that your sex life can be improved and changed by words written in a text but it can In fact improving your sex life can be done without help at all but you need to know yourself 100% if you ever expect to please someone else inside and outside of the bedroom There are so many ways in which each of us are pleased via sexually Finding out what pleases each and every one of us is the difficult part The Kama Sutra states that all of us can find pleasure and desire in one another but only if certain factors are taken into account This book covers Is Sexual Compatibility important Overcome sexual anxiety shyness and insecurity Turn a boring relationship in an exciting couple game The Top sexual fantasies revealed How to create the right intimacy The best sex positions for couples Increase sexual passion with dirty sexy games Top foods to enhance stamina and libido in your sex With this book you will be able to identify and implement steps that will change the way you look at yourself life and sex You will feel born again with the willingness and want to change or start anew Having a great sex life isn't just a fairytale or something you see in movies or pornography A great sex life is achieved by hard work on your part and life changing practices that are kept up with throughout your life Nothing in life is easy and this is no exception to that Buy It NOW And Let Your Customers Get Addicted To This Amazing Book *Kama Sutra for Beginners* Joanne Bennet,2020-12-04 Do you want a sexual life more emotional and interesting This book is the perfect guide for you to feed your knowledge about Kama Sutra Kama Sutra is an inspiring guide for tens and hundreds of thousands of amorous couples helping them to learn and manage the mind body and emotions allowing them to gain maximum freedom and liberation in the intimate life This is what you'll learn The origins of Kamasutra Preparing for Kama Sutra Sex Its benefits Kama Sutra Mits And Much More Many couple underestimate the importance of good sex and so about 40% of separations of couples happens because of weak sexual performance So do not ignore the problem because it is a matter of your life and just because of this small issue do not let your loving partners go away from you Mastering these tricks will not be difficult and the result will exceed all your expectations So if you want to reach full sexual potential and become a relentless stunningly inventive lover just Click Buy Now **The Art of the Kama Sutra** Vātsyāyana,Douglas Mannering,1994 **Vatsyayana's Kamasutra 5x8** Sankar Srinivasan,2015-07-10 IN the literature of all countries there will be found a certain number of works treating especially of love Everywhere the subject is

Léonard Anthony, Must we experience pleasure the way we've learned to consume everything else with the click of a mouse? The Colors of Love invites readers to pause instead to find inspiration and embrace their hidden desires. Take your time as you look at the illustrations and dwell on the words that accompany the images. Discover the vibrant world of desire that awakens the senses and brings bodies together. Moved by the ancient text that has been inspiring lovers for over fifteen centuries, the Kamasutra authors Léonard Anthony, a specialist in hypnosis and meditation, and artist Corinne Bongrand have opened up a space of love, desire, sensuality, and sharing for readers. As you dive into these forty images, you will discover a new approach to sexuality, free from the often misleading constraints of modern society. An inspiring book that celebrates the senses. Corinne Bongrand worked in fashion and luxury goods before becoming an illustrator. She is best known for her illustrations in over thirty books published by Pocket Jeunesse. Her most recent works include *Mon cahier de s r nit* Pocket 2015 with a preface by Fabrice Midal and *The Colors of Love*. Of Indian heritage, Léonard Anthony is an entrepreneur, publisher, and composer who began studying and practicing meditation and Yoga Nidra in Southern India over twenty years ago. Meeting the philosopher and hypnotherapist François Roustang marked a pivotal moment in his view of these disciplines and led him to open up new paths in his work. He is one of the founders of Mediphi. Thank you to all those who wrote about *The Colors of Love*. Léonard Anthony's words speak to the most intimate part of our being. Like the suggestions used in hypnosis that Léonard knows well, these words allow readers to rediscover their senses, enter into relationships, and get back in motion. François Roustang, philosopher and hypnotherapist, Pornography destroys the reality of the other person and locks us away within the brutality of our own desires. This book offers a way to experience intimacy slowly and tenderly. The loving heart begins to beat again and allows the other person to exist. In this way, sexuality points us to the very mystery of sex, the deepest of human impulses. Guy Corneau, Jungian psychoanalyst and author, How does one transform two isolated erotic drives into the blissful harmony of two bodies and hearts dancing to the same rhythm? This enchanting book invites readers to discover a new version of themselves, enhanced by the creativity and joys of pleasure. Philippe Presles, Psychotherapist and Essayist, This book helps readers renew with the deeply meditative aspect of sexuality, one that tends to be overlooked in favor of today's emphasis on performance. This book is a welcome approach to rediscovering the joy of living. Fabrice Midal, Founder of the Western School of Meditation, This isn't a book; it's a work of art. It opens the soul to a forgotten but essential aspect of sexuality: poetry. Bodies meeting one another is a sacred act that this book encourages you to incorporate in your own relationship.
