Slouching Toward Nirvana:

Slouching Toward Nirvana Charles Bukowski, 2009-10-06 Wordsworth Whitman William Carlos Williams and The Beats in their respective generations moved poetry toward a more natural language. Bukowski moved it a little farther. Los Angeles Times Book Review He brought everybody down to earth even the angels. Leonard Cohen songwriter Los Angeles slums bars and more are featured in *Slouching Toward Nirvana* the third of five books of unpublished poems from Charles Bukowski considered by many to be America's most imitated and influential poet. Women Charles Bukowski, 2009-10-13 With all of Charles Bukowski's trademark humor and gritty dark honesty *Women* the 1978 follow up to *Post Office* and *Factotum* is an uncompromising account of life on the edge. Low life writer and unrepentant alcoholic Henry Chinaski was born to survive. After decades of slacking off at low paying dead end jobs blowing his cash on booze and women and scrimping by in flea bitten apartments Chinaski sees his poetic star rising at last. Now at fifty he is reveling in his sudden rock star life running three hundred hangovers a year and maintaining a sex life that would cripple Casanova. The Walt Whitman of Los Angeles Joyce Carol Oates bestselling author He brought everybody down to earth even the angels. Leonard Cohen songwriter.

The Jonah Factor Ed Klodt, Extensively researched *The Jonah Factor* reveals 13 spiritual steps to finding the job of a lifetime. *Contemporary Authors: 1945 to the Present* Britannica Educational Publishing, 2013-06-01 Contemporary literature encompasses so many genres literary forms and themes that it would seem almost impossible to identify a unifying thread between them. Yet in the tradition established by literary heavyweights who came before modern writers of all stripes and backgrounds have continued to entertain and to confront the social cultural and psychological realities of the times including everything from racial identity to war to technology with their own flair and insight. The diversity of authors profiled herein from Toni Morrison to Sylvia Plath to Stephen King to David Foster Wallace attests to the scope and complexity of modern society. ROAR Bruce Wagner, 2022-11-15 A new novel by Hollywood's master of satire *The myth of an epic public life its triumphs and tragedies* is a particularly American obsession. *ROAR* is a metafictional exploration of such a life and attendant fame of an extraordinary and completely made up man. Born in Nashville in 1940 and adopted by a wealthy San Francisco couple Roger Orr became an underground stand up comedian with a cult following while still in his teens segueing to an acclaimed songwriter in the Sixties. In the decades that followed his talent spanned the worlds of entertainment from film directing and books to fine art paintings sculpture. His promethean energies expanded to the world of medicine he became a dermatologist the first to patent cadaver skin for burn victims. A spiritual seeker who returned to India throughout his life. Roar was also a voracious lover of both men and women. The journey of Roger Orr was a premonition of the cultural earthquakes to come. It wasn't until his 40s that Roar learned his birth mother was black and it wasn't until his early 60s when he began the hormonal treatment and surgeries that chipped away at the armor covering what he always knew was his true identity that of a woman. Roar's saga is best told by a cacophony of voices family members critics.

historians and the famous Meryl Streep Amanda Gorman Dave Chappelle Andy Warhol including some heard from the grave In ROAR Wagner brilliantly paints a vivid picture of one man our times and our culture s enduring obsession with fame

Dread in the Beast Charlee Jacob,2024-04-08 DREAD IN THE BEAST used to be a novella about the goddess of waste and the king of wasters Now it is a novel stuffed full of the gruesome and horrible Taken from the mythologies and histories of humankind it follows the trail of the Mother Spirit of the worst that the world is capable of producing From the catacombs of ancient Rome where a blasphemous sect twisted the message of the early Christians to modern America with its obsession with violence deities and saints and the reincarnations of beasts battle over sublime and profane where the very reasons for existence for us all may lie in the unthinkable Edward Lee author of CITY INFERNAL MONSTROSITY INCUBI and SUCCUBI says in his introduction to this new novel length version What s most unique of all here and jealously fascinating are the creative guts of the author If there s an ultimate dichotomy in the horror genre it s got to be Jacob armed with a talent to write the most beautiful prose yet using that talent to examine the most unspeakable and detestable horror It s one of my all time favorite novels in the field

Mongoose Anthony Haas,2008-02 It was a conscious decision while reading Henry Miller s somewhat obscure book called The Time Of The Assassins and then getting into Rimbaud s Illuminations it was a decision to write from my unconscious and Hermitically as well It was a difficult time when I first started on these writings but I m glad I wrote it down because the past vanishes practically into the vast blue nowhere time is such a sneaky weasel Its been a heck of a ride Gradually though I become less introverted and the poems I think their content and form become more and more public almost a kind of journalism away from the freaky trapped scared and half nutshell crazed Also around the time I started writing these poems I was catching my first real and protracted study of philosophy in particular Nietzsche s The Birth of Tragedy And technically as well as the ideas astounded me really and it really felt great to be able to read and then write hoping to run parallel with philosophy and whatnot This then these precarious poems where walking the plank is for real is my attempt to climb out of my self the ole mind cage of lonesome fears the shadowland and enter in into the now of the implacable hub of no perspective but that of now If there is a message to these poems its probably just in the inherent fact that one exists lives delves under and to the very heart where mind and soul dance that eternity dance of one any how way and who

The Continual Condition Charles Bukowski,2009-09-29 The Walt Whitman of Los Angeles Joyce Carol Oates He brought everybody down to earth even the angels Leonard Cohen songwriter Arguably the most imitated and influential American poet of the previous half century Charles Bukowski remains a counter culture icon more than a decade after his death The Continual Condition is a collection of never before published poems by the inimitable Bukowski raw tough odes to alcohol women work and despair by a rebel author equally adept at poetry and prose Charles Bukowski lives on in The Continual Condition a godsend for admirers of his previous collections Slouching Toward Nirvana The Pleasures of the Damned and Love is a Dog From Hell as well as his novels Factotum Ham on Rye and Pulp
