**Jealousy of Trade** Istvan Hont, 2005-08-31 The author focuses on Adam Smith and his contemporaries who pondered these issues particularly the nature and development of commercial society They attempted to come to terms with the claim that on the one hand the market was a decisive element in economic progress and on the other that its workings depended upon the release of the immoral desires of fallen men and that its consequences were socially and politically destabilizing Hont reconstructs the salient features of this controversy between the proponents of market sociability and its most trenchant critics In doing so he has helped to locate historically the most important arguments at the heart of the emergence of modernity Jacket

cutting edge and original contributions that go well beyond previous research on work and families Naomi Gerstel author of *Families and Work* The information age is transforming family life and the relationships between families the workplace and larger society *Working Families* moves the discussion of work and family beyond the simplistic notion of balancing by examining the complexity and diversity of everyday family life as well as the wider economic and political contexts of our current dilemmas Arlene Skolnick author of *Embattled Paradise The American Family in an Age of Uncertainty* The worlds of work and family in which we live our lives are ever more complex This important volume sheds lights on the issues faced by working families at home at work and in their community Kathleen Christensen Director Program on Working Families Alfred P Sloan Foundation *The ABCs of Classic Hollywood* Robert Beverley Ray, 2008 Speaking about the kind of filmmaking now known as Classic Hollywood the most popular and influential cinema ever invented Vincente Minnelli once gave away its secret I feel that a picture that stays with you is made up of a hundred or more hidden things They're things that the audience is not conscious of but that accumulate How would we go about finding those things What method would enable us to retrieve them and by doing so to understand better how Hollywood films got made *The ABCs of Classic Hollywood* attempts to answer those questions by looking closely at four movies from the 1930-1945 period when the American Studio System reached the peak of its economic and cultural power *Grand Hotel* *The Philadelphia Story* *The Maltese Falcon* and *Meet Me in St Louis* To avoid the predictable generalizations that have plagued Film Studies Ray works with the movies' details treated as initially mysterious but promising clues e.g. *Grand Hotel*'s coffin and room assignments *The Philadelphia Story*'s diving board and license plate PA55 *The Maltese Falcon*'s clocks and missing bed *Meet Me in St Louis*'s violinist and ribboned cat By producing at least 26 entries for each of these films one for every letter of the alphabet Ray demonstrates that a movie's details contain the record of the work and ideas that produced them the endless negotiation between commercial efficiency and seductive enchantment In our unconscious memories we recognize something in the movies something tantalizing and just out of reach This book unlocks those memories making them conscious and explicit so that they will help us understand the most powerful and important storytelling system ever designed *A Charming Fellow, Volume III* Frances Eleanor Trollope, 1876-01-01 *The Oölogist*, 1888 *The Midland Monthly*, 1897 **Mr. Smith Goes to China** Jessica Hanser, 2019-07-23 An account of eighteenth century global commerce as seen through the lives of three Scottish traders written with verve and filled with arresting details Tonio Andrade author of *The Gunpowder Age* This book delves into the lives of three Scottish private traders George Smith of Bombay George Smith of Canton and George Smith of Madras and uses them as lenses through which to explore the inner workings of Britain's imperial expansion and global network of trade revealing how an unstable credit system and a financial crisis ultimately led to greater British intervention in India and China This book is a history of British seafaring and imperialism written largely from a micro level perspective placing the focus on individual traders rather than the East India Company as a whole But it is not only an imperial history It

also unravels the interwoven financial political and social relations between Britain China and India in the eighteenth century Hanser has consulted an impressively wide range of archival sources in different languages and located in various countries from private letters to periodicals and from official Chinese documents to East India Company reports Her work contributes to our understanding of 18th century British imperial history Reviews in History **The Rev.
