## **Smugglers Island:**

**The Go Ahead Boys On Smugglers' Island** Ross Kay, 2023-09-16 *The Go Ahead Boys on Smugglers Island* by Ross Kay is a thrilling tale of adventure and mystery set against the backdrop of the Great Lakes. The story follows four boys: Fred Button, John Clemens, Grant Jones, and George Washington Sanders, who embark on a fishing trip from Mackinac Island to Drummond Island aboard a motorboat named the *Gadabout*. Their journey takes an unexpected turn when a sudden storm forces them to seek refuge on the Canadian shore of Cockburn Island. There they encounter a mysterious man and his Japanese servant who provide them shelter and food. The boys are intrigued by the man's enigmatic background and the peculiar interactions they witness between him and their boat's mate. As the boys navigate the challenges of the storm and the mysteries surrounding their host, they also receive a perplexing letter meant for another guest at their hotel, Mr. Ferdinand Button. This letter hints at smuggling activities involving goods transported from Canada to the United States. The boys' curiosity is piqued, and they find themselves drawn into a web of intrigue that tests their courage and resourcefulness. Throughout the narrative, the boys' camaraderie and youthful enthusiasm shine as they face both natural and human-made challenges. The story is rich with descriptions of the natural beauty of the Great Lakes region and the historical significance of places like Mackinac Island. Ross Kay weaves a tale that is both entertaining and thought-provoking, highlighting themes of friendship, adventure, and the consequences of deceit.

**Smugglers' Island and the devil fires of San Moros** Clarissa A. Kneeland, 2023-07-10 *In Smugglers Island and the Devil Fires of San Moros* Clarissa A. Kneeland crafts a compelling narrative that intertwines adventure and moral inquiry against the backdrop of a vibrant yet perilous Caribbean landscape. Employing a richly descriptive prose style reminiscent of classic maritime tales, Kneeland weaves elements of historical fiction with mythological undertones, drawing readers into a world rife with intrigue and danger. The complex characters navigate a treacherous interplay of greed, loyalty, and betrayal, all while the looming specter of the titular devil fires provides both a literal and metaphorical source of tension, reflecting the internal struggles each character endures amidst external chaos. Clarissa A. Kneeland, a scholar of Caribbean folklore and maritime history, brings a unique depth to her storytelling through her extensive research and personal ties to the region. Her understanding of the cultural narratives that inform the Caribbean's past fuels the authenticity of the setting and themes. Kneeland's previous works have explored the intersections of myth and history, making her well-equipped to deliver a tale that is both entertaining and reflective of deeper societal issues. I highly recommend *Smugglers Island and the Devil Fires of San Moros* to readers who appreciate rich, immersive storytelling that challenges moral certainties while providing a thrilling escapade. Kneeland's ability to intertwine the sea's alluring adventure with poignant cultural reflections creates a captivating read that will linger long after the final page.
