

Steins;Gate

The science fair is beginning. Let's go and celebrate.
The stage was dark yesterday, but there's going to be a show today, believe.
It's the first time for the stage, but it's the first time for the show.
The first time we can see the world of the show. There are so many people here.
It's the first time that people should witness the secret of light that is in our hands.
The first time that people should witness the secret of light that is in our hands.
The first time we can see the world of the show.
