Akinola,Adetunji, Akin,2016-06-16 Misunderstandings in technology mediated communication can be due to a lack of tone and facial expression on the part of the speaker which provide additional context clues into the meaning of the message beyond textual representation As technology becomes more of a ubiquitous element in our interactions with one another further study into the ways in which language and humor are conveyed online and impact human communication is essential Analyzing Language and Humor in Online Communication presents a compendium of research into virtual communities online communication social networks and the ways that language and humor in particular are being conveyed and understood in these digital environments Emphasizing examples from popular culture and contemporary media this innovative publication fills the current void in the literature by focusing specifically on humor creation and perception in the digital age Students researchers linguists psychologists media professionals and sociologists will find this publication to be a unique reference source *Characters and Surprises in Stand-up Comedy* Lorenzo Logi,2025-11-13 This book employs a social semiotic methodology to investigate how comedians use impersonation and expectation to create humour in stand up comedy It advances the linguistic cartography of how meaning making resources contribute to humour in interactive humour genres Systemic Functional Linguistics SFL underpins the book s approach and is integrated with recent work on multimodality and paralinguistics as well as humour studies The author develops a consolidated analytical framework for identifying and analysing the intermodal semiotic resources that contribute to impersonation and expectation in humour including gesture and voice quality paralinguistic resources vital but underexplored in humorous texts The framework is then applied through close discourse analysis of excerpts from three stand up comedy texts by different comedians Ricky Gervais Eddie Izzard and Michelle Wolf The findings outline typical and more complex realisations of intermodal impersonation differentiate categories in how comedians employ impersonation to create humour and describe how linguistic expectation can be established and subverted for humorous effect These findings will be of interest to readers across the disciplines of linguistics humour studies and multi intermodality who are interested in the interaction between paralinguistics expectation and the negotiation of values so as to establish and maintain social relationships *Step by Step to Stand-Up Comedy - Revised Edition* Greg Dean,2017-09-15 Paperback Revised 2018 **Stand-up Comedy, Theology, and Ethics** Jacob D. Myers,Nicole Graham,2025-09-04 Bringing together the distinct but connected disciplines of theology and ethics Stand up Comedy Theology and Ethics adds to the growing field of humor and religion Beginning by re considering what we know about jokes and laughter the authors propose that more attention needs to be paid to the quasi sacramental magical quality of jokes and the ways laughter can shift the affective states of an audience They then turn their attention to key issues and debates within stand up comedy First is the comical legitimacy or illegitimacy of comedians who employ humor ambiguously

so that we are not sure at who or what they are punching Second is the phenomenon of canceling comedians for their behavior off stage Third is the sociopolitical possibilities of stand up Ultimately the authors argue that there is theological religious and ethical significance to contemporary stand up comedy
