The Badness Nane Quartay,2005-06-28 Alias suffers from a curse that has haunted his family for generations He vows to do whatever it takes to end it even if it results in his death D Wayne s traumatic childhood at the hands of his abusive mother has turned him into a demented killer following the voice of his god Ruh who guides him in a deadly search Set in the raw and tumultuous landscape of the projects Quartay s sharp second novels chronicles he lives loves and losses of four strangers inextricably intertwined Eroticism mysticism and suspense are seamlessly woven together in this shocking novel

Take Two and Pass Nane Quartay,2010-06-15 Two powerful personalities are on a collision course in this rocket fast novel about money and power Tokus Stone is a man caught between what he knows and what he knows is right between the fortune of crime on the one hand and the conviction of law on the other Way Jalon on the other side of the spectrum rules the city with an iron fist presiding over an empire of wealth and influence Armed with a dangerous new secret he vows to remake the fabric of society by his own standards and Tokus Stone will be his perfect gamble This edge of your seat novel traces the lives of a street hustler and an affluent businessman from their sharply contrasting paths to their final confrontation a confrontation only one of them will survive

Backtrack Forward S. Loy,2008-03 Tricia Warren fresh out of an overseas education enters the real world beset with the unfinished business of her forebears Her deceased father may have murdered his second wife and his estate is now in a rocky state of mismanagement Her mother s death also left the possibility that there is a family member that Tricia never knew Fearing for her financial and personal safety Tricia hires detectives to sort out these lingering mysteries and as they investigate it s clear that she faces a situation far direr than she had imagined Her trust fund could be lost to various persons with eyes on her father s estate and claims on gambling debts he left behind Her two step brothers may be players in a drug ring and other shady activities with designs of their own for the family fortune And the circumstances of the second wife s death are disturbingly unclear What had started out as a basic probate case has escalated into something deeply complicated and menacing even as Tricia strives to hold onto a happy family life Backtrack Forward is a mystery of family intrigue and dogged detective work in which the stakes are high the clues elusive the motives murky and the outcome anything but obvious
