**Companion to Nineteenth-Century American Letters and Letter-Writing** Celeste-Marie Bernier,2016-02-15 Provides a  
wide ranging entry point and intervention into scholarship on nineteenth century American letter writing This comprehensive  
study by leading scholars in an important new field the history of letters and letter writing is essential reading for anyone  
interested in nineteenth century American politics history or literature Because of its mass literacy population mobility and  
extensive postal system nineteenth century America is a crucial site for the exploration of letters and their meanings whether  
they be written by presidents and statesmen scientists and philosophers novelists and poets feminists and reformers  
immigrants Native Americans or African Americans This book breaks new ground by mapping the voluminous  
correspondence of these figures and other important American writers and thinkers Rather than treating the letter as a  
spontaneous private document the contributors understand it as a self conscious artefact circulating between friends and  
strangers and across multiple genres in ways that both make and break social ties Key FeaturesDraws together different  
emphases on the intellectual literary and social uses of letter writing Provides students and researchers with a means to  
situate letters in their wider theoretical and historical contextsMethodologically expansive intellectually interrogative
