## **Stephen Biko:**

**Steve Biko** Chris Van Wyk, 2003      **Stephen Biko** Diane Sansevere-Dreher, 1991 Biography of Steve Biko orator and writer who challenged the South African government and its system of apartheid becoming a symbol of hope for the future for blacks      Steve Biko Lindy Wilson, 2012-07-04 Steve Biko inspired a generation of black South Africans to claim their true identity and refuse to be a part of their own oppression Through his example he demonstrated fearlessness and self esteem and he led a black student movement countrywide that challenged and thwarted the culture of fear perpetuated by the apartheid regime He paid the highest price with his life The brutal circumstances of his death shocked the world and helped isolate his oppressors This short biography of Biko shows how fundamental he was to the reawakening and transformation of South Africa in the second half of the twentieth century and just how relevant he remains Biko s understanding of black consciousness as a weapon of change could not be more relevant today to restore people to their full humanity As an important historical study this book s main sources were unique interviews done in 1989 before the end of apartheid by the author with Biko s acquaintances many of whom have since died      The Testimony of Steve Biko Steve Biko, 2017-10-01 What comes first to mind when one thinks of political trials in South Africa are the Rivonia Trial of 1956 61 and the Treason Trial of 1963 64 Rarely if ever is the 1976 SASO BPC trial mentioned in the same breath and yet it was perhaps the most political trial of all The defendants all members of the South African Students Organisation or the Black People s Convention were in the dock for having the temerity to think to have opinions to envisage a more just and humane society It was a trial about ideas but as it unfolded it became a trial of the entire philosophy of Black Consciousness and those who championed its cause On 2 May 1976 senior counsel for the defence in the trial of nine black activists in Pretoria called to the witness stand Stephen Bantu Biko Although Biko was known to the authorities and indeed was serving a banning order not much about the man was known by anyone outside of his colleagues and the Black Consciousness Movement That was about to change with his appearance as a witness in the SASO BPC case He entered the courtroom known to some but after his four day testimony he left as a celebrity known to all      The Legacy of Stephen Bantu Biko C. W. Du Toit, 2008      Black Consciousness in South Africa Steve Biko, 1979 Court transcripts of South African activist Steve Biko includes background information      **We Write What We Like** Darryl Accone, Zithulele Cindi, Saths Cooper, Duncan Innes, Jonathan Jansen, 2007-11-01 A celebration of Steve Biko s legacy of freedom Steve Biko the founder of the Black Consciousness philosophy was killed in prison on 12 September 1977 Biko was only thirty years old but his ideas and political activities changed the course of South African history and helped hasten the end of apartheid The year 2007 saw the thirtieth anniversary of Biko s death To mark the occasion the then Minister of Science and Technology Dr Mosibudi Mangena commissioned Chris van Wyk to compile an anthology of essays as a tribute to the great South African son Among the contributors are Minister Mangena himself ex President Thabo Mbeki writer Darryl Accone journalists Lizeka Mda and

rich legacy they have left us In their chapters they reflect on the many ways in which the Black Consciousness Movement succeeded in transforming black minds and politics by freeing people to take their destiny into their own hands encouraging them to press the very limits and redefine what had been accepted as the bounds of possibility Black Consciousness left a legacy of defiance in action and inspired a culture of fearlessness which was carried forward by the township youth in 1976 and sustained throughout the 1980s For it is in South Africa s township that there has been an awakening of the people people who finally made the politicians move *Biko Xolela Mangcu, 2013-09-20* Steve Biko was an exceptional and inspirational leader a pivotal figure in South African history As a leading anti apartheid activist and thinker Biko created the Black Consciousness Movement the grassroots organisation which would mobilise a large proportion of the black urban population His death in police custody at the age of just 30 robbed South Africa of one of its most gifted leaders Although the rudimentary facts of his life and death are well known there has until now been no in depth book on this major political figure and the impact of his life and tragic death Xolela Mangcu who knew Biko provides the first in depth look at the life of one of the most iconic figures of the anti apartheid movement whose legacy is still felt strongly today both in South Africa and worldwide in the global struggle for civil rights **The Concept of the Foreign** Rebecca Saunders, 2003 The Concept of the Foreign investigates the diverse and consequential uses of the concept of the foreign a formidable and hitherto untheorized force in everyday discourse and practice This highly original work whose experimental nature moves beyond traditional academic bounds undertakes to theorize the meanings deployments and consequences of foreignness a term largely overlooked by academic debates Innovative in format the book comprises an introductory theoretical dialogue and seven essays each authored by a scholar from a different discipline anthropology literary theory psychology philosophy social work history and women s studies who investigate how his her disciplines engage and define the concept of the foreign Drawing out literal and metaphorical meanings of foreignness this wide ranging volume offers much to scholars of postcolonial gender and cultural studies seeking new approaches to the study of alterity
