## Stepping Into Eternity:

**Stepping into Eternity** Stephen Turoff, 2025-05-05 Thirty years after penning his bestseller Seven Steps to Eternity the story of Jim a young man killed in the First World War and his progress in the afterlife Stephen Turoff revisits the soldier s soul In Stepping into Eternity the world renowned healer enters into fresh dialogue with Jim discovering new insights and teachings Together with the soldier s spirit guide Chan we learn more about life after death how souls are drawn out of darkness and into the embrace of heaven and eternity We are told of the roles of dreams music guardian spirits relationships in life and death and karma the law of cause and effect Also revealed are astonishing prophecies on humanity s future In this engrossing sequel to Seven Steps to Eternity we are invited once again to join the author on a voyage that encompasses timeless themes with humour and understanding bridging the gap between the living and the dead between history the present and the future We gain a greater comprehension of what it means to be human to endure and to find eternal life joy and hope in the shadows of despair

**Stepping Into Eternity** Tom Parrish, 2010-05-01 On July 6 1979 my mother in law Beatrice Gnotek breathed her last breath and stepped into eternity It is not the fact that she died but the experience she had shortly before she died that has profoundly impacted my life On the morning she died she was visited by Jesus Christ who spoke directly to her and then proceeded to take her by the hand and walk her into the kingdom of God I was privileged to be present and to be an eyewitness to these incredible events As an eyewitness to her encounter with Jesus I had a curtain to eternity parted and saw with my own eyes and heard with my own ears the reality of the life to come This singular day has shaped and transformed my understanding of the living reality of Jesus and his personal presence for those who love him My mother in law shortly before her death made a profound statement She said The church does a fairly good job at teaching us how to live as Christians but I did not receive any teaching or practical preparation for dying My goal in writing this book is to open discussion and investigation into the final event of human existence this side of heaven for those who trust in Jesus so that we can be equipped and prepared for that great event It is vital for the reader to understand that this book is focusing on those who have made a personal profession of faith in Jesus Christ prior to that final day I will personally relate some of the experiences I have had with the more than 30 people who have died in my presence In each of these cases the Lord Jesus came for the individual at the final hour Although each situation is different the common characteristics of peace joy and hope accompanied each encounter

*The Flame of Eternity* Krzysztof Michalski, 2011-12-05 The Flame of Eternity provides a reexamination and new interpretation of Nietzsche s philosophy and the central role that the concepts of eternity and time as he understood them played in it According to Krzysztof Michalski Nietzsche s reflections on human life are inextricably linked to time which in turn cannot be conceived of without eternity Eternity is a measure of time but also Michalski argues something Nietzsche viewed first and foremost as a physiological concept having to do with the body The body ages and decays involving us in a confrontation with our eventual death It is in relation to this brute fact that we come to understand

eternity and the finitude of time Nietzsche argues that humanity has long regarded the impermanence of our life as an illness in need of curing It is this pathology that Nietzsche called nihilism Arguing that this insight lies at the core of Nietzsche's philosophy as a whole Michalski seeks to explain and reinterpret Nietzsche's thought in light of it Michalski maintains that many of Nietzsche's main ideas including his views on love morality beyond good and evil the will to power overcoming the suprahuman or the overman as it is infamously referred to the Death of God and the myth of the eternal return take on new meaning and significance when viewed through the prism of eternity *The Complete Works of Thomas Manton, D.D.*
