**Medicare** S. N. Colamery, 2003 Medicare is an American health insurance programme for the aged and certain disabled persons Over its nearly 35 year history it has provided important protections for millions of Americans However the programme is facing a number of problems One concern is that Medicare s financing mechanisms will cease to function in the long run Many are also concerned that the programmes structure which in large measure reflects both the health care delivery system as well as political considerations in effect at the time of enactment has failed to keep pace with the changes in the health care system as a whole This book examines the major problems that have been plaguing Medicare for years as well as the possible solutions to them

The Mereness Calendar Illinois. University. Illinois Historical Survey, 1971 **Diem's Final Failure** Philip E. Catton, 2002 Catton treats the Diem government on its own terms rather than as an appendage of American policy Focusing on the decade from Dien Bien Phu to Diem s assassination in 1963 he examines the Vietnamese leader s nation building and reform efforts particularly his Strategic Hamlet Program which sought to separate guerrilla insurgents from the peasantry and build grassroots support for his regime Catton s evaluation of the collapse of that program offers fresh insights into both Diem s limitations as a leader and the ideological and organizational weaknesses of his government while his assessment of the evolution of Washington s relations with Saigon provides new insight into America s growing involvement in the Vietnamese civil war
