## **Sticky Beak:**

*Blabber Mouth and Sticky Beak* Morris Gleitzman, 2021-04-01 Morris Gleitzman's classic stories *Blabber Mouth* and *Sticky Beak* are now together in one volume with a fantastically hilarious cover look from Sarah Horne. Rowena Batts is always in trouble. It probably has something to do with her quick temper stuffing a frog into bully boy Darryn Peck's mouth. Wasn't the best idea in the world. Neither was stealing his crazy cockatoo. But Rowena has a bigger problem. Her dad. Somehow she has to tell him that his revolting shirts and his horrific habit of bursting into song in public are even more disastrous than she is. And it's not easy talking your way out of trouble when you were born unable to speak. Rowena and her dad rock from one batty but bittersweet scenario to the next across two stories in one book. *Sticky Beak (Sound Recording)*. Morris Gleitzman, Mary-Anne Fahey, 2003

**The New Partridge Dictionary of Slang and Unconventional English** Tom Dalzell, Terry Victor, 2015-06-26 Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus *The Dictionary of Slang and Unconventional English*, this two-volume *New Partridge Dictionary of Slang and Unconventional English* is the definitive record of post WWII slang. Containing over 60,000 entries, this new edition of the authoritative work on slang details the slang and unconventional English of the English-speaking world since 1945 and through the first decade of the new millennium with the same thorough, intense, and lively scholarship that characterized Partridge's own work. Unique, exciting, and at times hilariously shocking, key features include unprecedented coverage of World English with equal prominence given to American and British English; slang and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland, and the Caribbean; emphasis on post-World War II slang and unconventional English; published sources given for each entry, often including an early or significant example of the term's use in print; hundreds of thousands of citations from popular literature, newspapers, magazines, movies, and songs illustrating usage of the headwords; dating information for each headword in the tradition of Partridge; commentary on the term's origins and meaning. New to this edition: A new preface noting slang trends of the last five years; Over 1,000 new entries from the US, UK, and Australia; New terms from the language of social networking; Many entries now revised to include new dating, new citations from written sources, and new glosses. *The New Partridge Dictionary of Slang and Unconventional English* is a spectacular resource infused with humour and learning; it's rude, it's delightful, and it's a prize for anyone with a love of language.
