creating a haven for her creative pursuits and slowly coming to think of these rivers hills and caves seen in every season as her true home Drawn to the sacred and the beautiful the wild and the weird Colquhoun writes about Cornwall as a living landscape where every tree standing stone and holy well is a palimpsest of folklore and perhaps a place where everyday reality connects to the world beyond In prose as gorgeously dreamlike as it is sharply witty this inimitable artist gives us a travelogue deeply attuned to natural rhythms local atmosphere and the eerie beauty of a place that is as much legend as it is water and rock
