**Still Practising** David Grant, 2000 Bestselling author and TV vet David Grant won a legion of new fans with the warm and funny account of his first years as a vet in JUST PRACTISING In his next book he relives more of the highs and lows of the green country vet with a fair bit still to learn His boisterous sense of humour can always be depended on to lighten the challenges he encounters but the regular all night sessions in the pig shed are keeping romance off the agenda His flatmates a pint and a roaring fire are all the domestic bliss he can expect at the end of the day David is then torn from Canterbury and the Kent countryside when he starts at the now famous RSPCA Harmsworth Hospital in London David battles through the urban jungle and shares with us the blossoming of what will become his two major passions working with small animals and the RSPCA However the town throws up just as many surprises as the country a tortoise chewed on by a Labrador a parrot who thinks it s a Siamese cat and a gerbil sucked up by a vacuum cleaner The lad about town s skirmishes with women continue to dominate his private life with hilarious though never very permanent consequences Many years later David Grant will return and become chief vet at the Harmsworth The ANIMAL HOSPITAL series has not yet been dreamt of but it will be a landmark in TV and veterinary history the first time television cameras have been allowed to film the real life goings on of a vets practice

A New England Country Veterinarian M. Terry Mills, 2000-12-20 To live a godly peaceable life in this World a Believer must be filled with the Holy Ghost and have the Fruit of the Spirit actively working in his personality However before he can possess these emotional qualities and grow spiritually the field of his mind and emotions must be pruned purged during personal trials and cleansed by the Word of God Unfortunately Satan is not just going to sit back and let this happen without putting up a fight so he uses all kinds of sly deceitful strategies to hinder or stop this process in our life He systematically uses sin unrestrained emotions and false teaching to dig holes in our health character and personality If we intend to reach the more and much fruit bearing stages Jesus spoke about in John 15 2 5 you and I must strive to catch the foxes we see in our life before they destroy our vines As we go through trials and tribulations we must take advantage of every opportunity to gain more spiritual knowledge and understanding The woman who was healed from the Issue of Blood understood what the hem of the priest s garment represented so as a result her knowledge her need her determination energized her faith and pushed it to a level that drew so much virtue out of Jesus that she received her Healing and He had to ask Who touched me When we understand the rudiments of the Word of God and understand the fundamental principles that support what we believe it will energize our faith and maximize the level of what we receive from the Lord Understanding is the key to growth and spiritual success
