Tarbert,1995      Monster In The Dark C.J. Darling,2019-07-02 The ferrets Human pets have gone away for Christmas vacation and they re having fun playing Suddenly they see a horrible ugly face in the window It s a monster and it s trying to get into their house Goliath might be the biggest ferret in the Mustela Secret Service but he s really just a frightened baby How can he protect old Nova and his friends Somehow he has to be brave and strong Excerpt It was a monster A gigantic ugly face was staring into the room It had little black eyes a big black nose and strange little ears that flopped down on either side of its head Its whole face was a mass of floppy brown and white wrinkles Sharp white teeth pointed in all directions as it pushed its nose against the clear window glass Suddenly it threw its head back and howled again It was a sad lonely sound that sent the ferrets into a panic Taz threw himself on top of Nova to protect her Maggie and Zephyr dashed to the other end of their cage so fast that they fell down the ramp and tumbled over each other Goliath let out a single shrill scream but he was too scared to move Down at the bottom of the cage the older ferrets shivered and hid under their blankets Zephyr finally stopped tumbling when she landed right on top of old Gonzo Maggie fell against her and poor Gonzo yelled at both of them to Get Off Let me see Nova was buried under Taz who was shaking so hard that the entire cage was swaying Taz get off me Taz didn t move It s gone now Where did it go Taz Nova tried to wiggle free then reached over and bit his foot hard Off Ouch Taz jumped and Nova crawled out from under him Nova that hurt I couldn t breathe Nova rubbed her whiskers against his sore foot in apology You re heavy I m sorry Nova I don t mean to be She nudged him in the ribs and smiled up at him You can t help being big It means you re healthy Poor Goliath was still standing frozen staring at the window with huge eyes Wh where did it go Nova climbed up onto his shoulders so she could see the window better The monster s big nose had left a wet smudge on the glass but Taz was right The monster was gone I don t know But it s gone now Goliath Gently she rubbed at his trembling ears with her nose You re safe Nothing can get into the house unless Mom Human or Dad Human let it in They ll never let a monster into the house Maggie had climbed back up to the top level Goliath got scared so easily that sometimes she got mad at him But this time she had been scared too So she didn t laugh at him or make fun of him They ll never do anything that might hurt us That s right Zephyr was just behind her They take good care of us She rubbed against Goliath and felt him relax We re all safe as long as we stay inside the house Taz was still staring at the window but his fur had calmed down again You ve been outside without a Human guard Zephyr What do you think it was Zephyr loved to talk about the time she d snuck out of the house and had romped all around the farm for two whole days before Dad Human had finally caught her in the barn and brought her back

into the house There are lots of wild animals outside she told him with big serious eyes I ve never seen anything like that before It was too ugly to be a farm animal so it must have been something wild Maggie thought about that for a minute It sure was ugly she finally agreed I wonder why it came here It s probably hungry Goliath remembered the crunchy pellets he d hidden under his blanket and quickly ate one Wild animals are always hungry You re always hungry Maggie teased smacking his thick black fur with one tiny white paw Does that make you a wild animal Goliath looked down at her He was nearly twice her size and could have crushed her just by sitting on her It makes me he said reaching for another pellet a growing boy      Words on Cassette, 2002 R R Bowker Publishing,2002      **Monster In The Dark** Jo Grant,Jonathan O'Brien, The farmhouse was very quiet The ferrets Human pets had all gone to visit their Cousins for Christmas Only Dad Human s friend Harvey Man would be coming by to feed them and play with them Suddenly they saw a horrible ugly face in the window It was a monster And it wanted into their house Goliath had never been so scared in his life Nova had said that he was the biggest strongest bravest ferret ever to live on the farm He wanted to be brave But when even their smartest ferret was scared half to death how could he protect his family from this horrible monster and keep them safe until the Humans came home again      **Change That Law!** C.J. Darling, When mean old Mayor Man decides to pass a Law making ferrets illegal the five clever ferrets in the Mustela Secret Service decide to teach him how to laugh and play and not be so angry and mean But when they creep into his cold dark house late that night they find him hurt on the floor How can five little ferrets work together to save his life Excerpt Taz Nova said twitching her whiskers in the dim red light why does Mayor Man want to get rid of all ferrets Even Humans don t do things without a reason Not usually Taz agreed with a worried flick of his tail He says and his dark eyes moved toward Maggie that ferrets look like rats Most Humans are afraid of rats They aren t welcome here Maggie was so angry she reared up on her back legs and clawed at the air Ferrets do not look like rats We have bushy tails and masks on our faces like raccoons Even I have one you just can t see it The other ferrets were black silver cinnamon or brown Their masks were the same colors and easy to see They did look a lot like raccoons with their shiny dark eyes and curious noses Maggie was pure white except for the tip of her tail so it made sense that her mask would also be white Though he would never admit it Taz thought she did look a bit like a sleek white rat though no rat had ever been so proud of her bushy black tipped tail Maggie groomed it all the time nibbling away dust and dirt to keep it full and shiny We re not blaming you Maggie Nova soothed Mayor Man is not very smart if he can t see that most ferrets look totally different But Taz is right A lot of Humans are afraid of mice and rats because they steal food and make messy nests in their walls We make nests too Goliath said proudly My nest is in Boy s bottom clothes drawer His pants make a nice bed and keep me warm at night We know Goliath Zephyr smiled Everyone knew where Goliath s nest was But we keep our nests clean We only put toys and special snacks in them Mice and rats aren t clean That s why Humans hate them The young giant thought about that for a few minutes Maybe we could teach them to be clean and then the Humans wouldn t hate them or us It was a great idea

but Nova couldn't see how to make it happen Not all Humans hate us she reminded Goliath Just the Mayor Man He has a lot of power in this town We need to find some way of changing his mind or he will make our Humans get rid of us They talked and talked and talked some more But none of them could figure out how to make the mean old Mayor Man change his mind about ferrets We are not ugly and messy Maggie scowled as they paused for a snack of crunchy brown ferret pellets We just like to play and have fun I wish we could show him how to have fun Zephyr sighed Then maybe he wouldn't be so mean Taz sat up so suddenly that old Quincy jolted awake on his branch and peered down at them Zephyr that's it If we show him how to have fun he's sure to like us
