9781444105681 and as a double CD 9781444105698    *Beyond the Nation* Martin Joseph Ponce, 2012-02 Part of the American Literatures Initiative Series Beyond the Nation charts an expansive history of Filipino literature in the US forged within the dual contexts of imperialism and migration from the early twentieth century into the twenty-first Martin Joseph Ponce theorizes and enacts a queer diasporic reading practice that attends to the complex crossings of race and nation with gender and sexuality Tracing the conditions of possibility of Anglophone Filipino literature to US colonialism in the Philippines in the early twentieth century the book examines how a host of writers from across the century both imagine and address the Philippines and the United States inventing a variety of artistic lineages and social formations in the process Beyond the Nation considers a broad array of issues from early Philippine nationalism queer modernism and transnational radicalism to music influenced and cross-cultural poetics gay male engagements with martial law and popular culture second generational dynamics and the relation between reading and revolution Ponce elucidates not only the internal differences

that mark this literary tradition but also the wealth of expressive practices that exceed the terms of colonial complicity defiant nationalism or conciliatory assimilation Moving beyond the nation as both the primary analytical framework and locus of belonging Ponce proposes that diasporic Filipino literature has much to teach us about alternative ways of imagining erotic relationships and political communities *Basic Tagalog* Paraluman S. Aspiller, Yolanda Canseco

Hernandez, 2014-07-01 Basic Tagalog takes a friendly and innovative approach emphasizing the structure of the Tagalog language rather than just vocabulary. This user friendly beginner Tagalog book teaches more than 2 000 Tagalog words and expressions with over 500 being added for this new edition. These are spread throughout 44 lessons, the Appendices and the exercises as well as in the Tagalog English and English Tagalog vocabulary lists at the back of the book. The added Tagalog vocabulary is meant to keep learners abreast of changes that have occurred in the language since the first edition of Basic Tagalog which was published. This edition has retained all the grammar lessons and the tried and tested teaching methodology developed by the author Paraluman S Aspiller for the original version. Her method has proven to be extremely effective for tens of thousands of foreigners and non Tagalogs who have used this book to learn Tagalog including many who have successfully learned to speak Tagalog, read Tagalog and write Tagalog through self study on their own without a teacher. Downloadable audio has also been added to facilitate the correct pronunciation of Tagalog words and phrases. A succinct introduction to the language and a description of the character of Filipinos will hopefully provide learners with a better understanding of the language they are learning. The lessons in Basic Tagalog are intended for a three month period of intensive study followed by another three months of applied oral communication. In six months or about 250 hours it is expected that an average learner should be able to speak, write and understand simple everyday conversational Tagalog as spoken by most Filipinos. Highlights of this book include Over 2 000 Tagalog words and expressions, 44 lessons organized by topic for efficient language absorption, Extensive exercises and activities to reinforce the lessons, Vocabulary lists serve as comprehensive English Tagalog and Tagalog English dictionaries. Completely updated and expanded with new materials. Includes downloadable audio. Using Basic Tagalog to study the Tagalog language will further encourage both non Tagalogs and non Filipinos to speak Tagalog better. Only then will they appreciate the individuality of the language that reflects the resilience and flexibility of Filipinos all around the world. In the end such learning will improve daily interactions and communications between non Filipinos and Filipinos whether in business, education, tourism, social or civic endeavors.
