**Columbus, Slave Trader** Marcus Wilson,2024-04-26

Columbus Slave Trader delves into an eye opening exploration of history as it uncovers a seldom told truth the initial transatlantic slave ships did not traverse from Africa to America with captive Africans Instead the journey took a different darker turn The very first slave ships embarked from the New World to Europe carrying a harrowing cargo of 500 captured Native Americans Their enslaver Christopher Columbus himself As the narrative unfolds we confront the chilling reality of this early chapter in the slave trade where these Native Americans originally destined for Seville s slave auction endured unimaginable hardships Only 80 would emerge as survivors highlighting the heart wrenching toll of this historic voyage Columbus Slave Trader is a stark essential and accurate historical fiction account that challenges prevailing narratives shedding light on a pivotal moment in history and reevaluating our understanding of Columbus as not just an explorer but also a slave trader
