**Educating Democratic Citizens in Troubled Times** Janet S. Bixby, Judith L. Pace, 2014-03-14 This book offers a groundbreaking examination of citizenship education programs that serve contemporary youth in schools and communities across the United States These programs include social studies classes and curricula school governance and community based education efforts The book takes an interdisciplinary approach to exploring the experiences and perspectives of educators and youth involved in these civic education efforts The contributors offer rich analyses of how mainstream and alternative programs are envisioned and enacted and the most important factors that shape them A variety of theoretical lenses and qualitative methodologies are used including ethnography focus group interviews and content analyses of textbooks

**Paleoamerican Odyssey** Kelly E. Graf, Caroline V. Ketron, Michael R. Waters, 2014 As research continues on the earliest migration of modern humans into North and South America the current state of knowledge about these first Americans is continually evolving Especially with recent advances in human genomic studies both of living populations and ancient skeletal remains new light is being shed in the ongoing quest toward understanding the full complexity and timing of prehistoric migration patterns Paleoamerican Odyssey collects thirty one studies presented at the 2013 conference by the same name hosted in Santa Fe New Mexico by the Center for the Study of the First Americans at Texas A M University Providing an up to date view of the current state of

knowledge in paleoamerican studies the research gathered in this volume presented by leaders in the field focuses especially on late Pleistocene Northeast Asia Beringia and North and South America as well as dispersal routes molecular genetics and Clovis and pre Clovis archaeology World Yearbook of Education 2011 Lyn Yates,Madeleine Grumet,2011-02 This book brings together contributions from around the world that analyse and reflect on the way curriculum is configuring and reconfiguring that world *The Dixification of America* Stephen D. Cummings,1998-08-11 In mid July 1997 just as the Dow Jones Industrial Average broke 8 000 the federal government announced that personal bankruptcies were at an all time high and Second Harvest the largest food bank network in America reported increased demand at half of its distribution centers But this paradox is not new Throughout the last decade economists have extolled the virtues and successes of the U S economy while plants have closed companies have downsized and those who remain are fearful about their jobs Contrary to popular opinion the free spending liberals have not driven this country to its current level of economic anxiety it is in fact the conservatives Current economic policy Cummings argues is the product of a union between conservative Republican and conservative Southern economic policy a union that began in the late 1960s Before the 1960s the Southern economy operated as a conservative economic incubator isolated from the rest of the country and conservative Republicans had to contend with both Democrats and liberal Republicans After 1969 with Republicans in the White House and with the help of Wallace supporters and later Reagan Democrats Southern conservative economic policy combined with Republican policy and was gradually exported to the rest of the country This collaboration and its growing political influence culminated in the Republican control of Congress in the 1990s Over the decades the South has become more Republican and Southern leaders have had an increasing influence in the Republican Party and in economic policy as a whole The conservative policy initiatives from this political union have led to some of the same economic problems that have plagued the South since Reconstruction and fostered by conservative Republicans in the 1920s ushered in the Great Depression Current policies argues Cummings are leading the country into a similar trap Multicultural Education ,2001 **Resources in Education** ,1982 *Introduction to Geography* Henry Madison Kendall,Robert Morton Glendinning,1951 *The Publishers' Trade List Annual* ,1978 **American Book Publishing Record** ,1995 **Guide to Reading for Social Studies Teachers** Edwin R.
