Pakistan is still on the brink of becoming a failed state as a consequence of its decades old practice of using proxy warriors in the region. Because of the weakening of the writ of the state neither governance nor the economy can function normally in fact some say the two strong entities in today's Pakistan are the Taliban and the army. Non state actors and the extremist terror outfits they control pursue extortion kidnapping and murder to fund their activities and receive ideological financial and logistical support from the deep state. The army continues to use them in its India centric agenda. Civilian institutions are intimidated and individuals who speak out against the terror outfits become targets of their retribution. Violence not law increasingly commands human conduct and the state's willingness to enter into peace talks with the Taliban is viewed as a form of surrender to extremism. Khaled Ahmed is Pakistan's most respected columnist and his formidable expertise on the ideologies of extremism is internationally acknowledged. In *Sleepwalking to Surrender* he analyses the terrible toll terrorism has taken on Pakistan and appraises the portents for the future.

Flowers,Rasheed Flowers,2021-05-09 The Book of Secrets is a unique manuscript that aims to help its reader focus on different mindful thoughts for each day of the year. Each day's entry includes a focus point and that point is emphasized and supported by specific citations from The Bible. The author hopes to invite the reader to explore different aspects of their life and to find meaning and support for that exploration through God's words. Each day is structured with a thought starter and at least one Bible reference to support the idea that this thought starter is not unique but rather something that originates

from God's words The format of this manuscript is engaging The daily entries give the reader a new thought to ponder each day The inclusion of a Bible citation further solidifies the importance of that thought and gives the reader the motivation to think deeply about that prompt as well as feel comfort knowing that God's words support this thought
