A new process that makes stories in the Bible come alive and feel like YOUR story. Step-by-step instructions for organizing and running a small group. As a participant and facilitator of this study for 8 years, I can honestly say that there has not ever been a more meaningful study of God's word for me. The study has made the both the Old and New Testament more immediately relevant to me and has encouraged me to seek greater truth about myself. I am so thankful for this process and look forward to sharing this continued journey of discovery with my brothers in Christ.

Here is what men who have been in the study say about the impact it has had on their lives. This process has allowed me to be emotionally vulnerable and still maintain self-control to trust other men to be honest with myself and before God. I've had and seen other men have large positive changes in their self-image which translates directly into stronger relationships here on earth and with Heaven. There is no question in my mind that this is a program worth your time and involvement.

Dave 58
What I discovered as a result of being a part of this study changed my life. I will use the techniques I gained for the rest of my life. I would strongly encourage every man to participate in this process. This is something that I have shared with others in my life and it NEVER fails to bring clarity. As disciples of Christ, we are all undergoing the process of sanctification. Many of the things we pursue, hoping to experience a change, leave us wanting. It delivers. I am a better man, my walk with Christ is stronger than ever, and I am a part of a band of brothers who truly sharpen one another.

This men's group provided a safe outlet to understand why I felt the way I did and to intentionally separate the data, judgments, and feelings that influenced my life. I have prayed for God's knowledge, the strength to handle life's trials, and the self-control to trust God's plan.

and timing The answers I prayed for were right before me and I needed to see and accept them to become a better Christian father and husband My relationships with God my brothers in Christ wife and kids are stronger as a result of the work I brought to men s group and implemented in my daily life I wish I had access to this information when I was younger Mike 39
