Small Town Living:

SO YOU WANT TO LIVE IN A SMALL TOWN Allan and Rosemary Young, 2012-10-28 SO YOU WANT TO LIVE IN A SMALL TOWN By Allan and Rosemary Young Allan and Rosemary Young grew up in the country just outside small towns Then after living in larger towns and cities they were seeking that elusive dream of the real America as sung about by country western singers and written about by poets What they found of course were all the problems of the cities just rearranged as well as lots of unexpected joys but very little of what they remembered from their younger days when things happened which they did not know about or were just too young to remember They weren't exactly seeking their roots since they didn't want to return to either of the towns from which they came so they deliberately selected one in between then another and another They actually lived in three small towns over the next few years each offering distinct advantages and distinct disadvantages as well

The Killing Game Mark Bourrie, 2016-03-08 On January 21 2015 a pro ISIS Twitter account reported that John Maguire a 23 year old university drop out from the Ottawa Valley town of Kemptville had been killed fighting Kurds in the Syrian city of Kobani A few weeks before Maguire had starred in a YouTube video threatening Canada for bombing ISIS forces in Iraq He is one of the dozens of young Canadians who have chosen to fight in a vicious conflict that really had little to do with them and with Canada Why would young people choose to fight in other people's wars especially one as bloody and cruel as this one Why has ISIS become so good at attracting foreign fighters This book examines the lure of this radical Islamist movement its religious beliefs sophisticated propaganda and vast social media networks ISIS is now a go to cause for alienated young people in the Islamic World and the West Does it offer answers to troubled young people Are ISIS's crimes slavery murder rape repression and the destruction of heritage sites an attraction in and of themselves What do we do about the people who take up ISIS's cause but stay in their home country What do we do with the ISIS recruits who come home The Killing Game examines what draws young men and women to join violent social political movements It looks at the psychology of young men and women today and the propaganda used by all sides in the Middle East conflicts as well as the security laws and the political initiatives that have been designed to stop Canadians from being radicalized From the irresistible lure of Marxist Leninism of the 1930s through the 60s and 70s and including the appeal of Nazism to young Germans in the 1930s this book

also investigates what it is that draws young people to join and fight for causes as different as the Spanish Civil War of the 1930s and the Red Brigades of the 1970s but with an emphasis on the attraction of ISIS and radical Islam in our own time
