Smallpox Slayer:

Tom Quick, the Indian Slayer James E. Quinlan, 2004-09 Tom Quick the Avenger of the Delaware devoted his life to exterminating the few remaining Indians in northeast Pennsylvania At the time this book was written he was one of the great icons of American folklore and his exploits were the common fare of fireside storytellers and cracker barrel old timers Today Tom Quick is virtually forgotten Political correctness recently motivated his hometown of Milford PA to dismantle the handsome monument over his remains and replace it with an apologetic plaque References to him have been eliminated from almost every local history This book is the original biography of Tom Quick published in 1851 It contains virtually every tale associated with the craft and cunning of Tom Quick as well as many narratives relating to the early settlers of the upper Delaware Valley Of special interest to historians are the chapters devoted to the Battle of Minisink during the American Revolution The abridged version published in 1894 lacks several key chapters footnotes and the Appendix This masterfully crafted eBook faithfully preserves the original 1851 edition in its entirety and is fully searchable and fully printable 152pp 1 04 Mb
