Nevill, 1955     *Heartfelt Lies* Kristy Love, 2015-05-06 Loving Cassie was effortless She was a thirst I couldn t quench She was everything I needed but nothing I deserved I failed her more times than I could count I lied relentlessly And she always forgave me Until she couldn t Maybe I deserved to be left behind Jax swept me off my feet with his disheveled hair and his easy smile I loved him fiercely He made me believe in the fairytale Then the walls crumbled around me The lies never ended I left him behind I had no choice I mourned the loss of him But I moved on I created a new life Now I was marrying someone else Where do we go now that he s back     **Born Under a Bad Sign** Max

Razo,2009-09-19 Book Review A born agains harrowing autobiography retraces his path from an emotionally impoverished childhood through a successful criminal career and finally to the redemption of the confessional Razo assures his reader that his story will be unembellished with no false modesty or undue embarrassment and after the first few pages its clear he will keep his word Razo begins his meditation with his earliest memories of growing up working class in the dusty sunny atmosphere of post war San Diego Despite the citys burgeoning diversity and sense of opportunity his veteran fathers American Indian heritage runs the family into trouble and teaches Razo some early lessons on the harsh realities of American culture Though his family does help keep him in school for a while his mother and father are over extended with Razo and his five sisters Though the emotions run hot between his mother and fatherusually it seems between rage and a begrudging commitmentthere is little feeling left over for the children Razo doesnt shirk from any topic and provides some unique insights into the awkward presexuality that develops between the members of such a large cloister of siblings especially when there is only one male to go around Its a brave choice and makes good on Razos promise of full disclosure Through the machinations of poverty prison drugs and kung fu Razo eventually impresses a major player with his martial arts and so finds himself one of Hells Angels and on his way toward an illicit seven figure salary These years arent overworked with analysis and even when some regret seeps in it seems a bit half hearted he was having fun after all The ragged emotions of such a life though familiar territory in fiction and nonfiction alike are still made interesting by their sheer detail and a narrative voice that isnt polished enough to hide the authors hell bent and engaging character Razos life is colorful to be sure and he was even a successful off roading champion for a spell but the real interest is Razos unlikely negotiations of the mortal pitfalls of the drug trade amid so many murderedand murderousfriends Skeptical readers will conclude the author was saved more by a plea deal than by holy intervention but its Razos storyand there is no doubting that hes told it as he lived it A harrowing willful account of a life led hard and fast Kirkus Discoveries

Crushed Ice Dr. Latangela L. Crossfield,2025-03-17 Imagine growing up in a small Southern town surrounded by sugarcane fields snakes alligator infested canals and palm trees Imagine growing up in a city where most people struggle financially where the nearest grocery store is five miles away where there is no hospital where there is only one traffic light and where most people know one another Can you imagine growing up in a family that has many secrets that could either destroy family ties or create bonds that could last a lifetime Welcome to Latangela Coleman Crossfield s family secrets incest murder and lies It was once easy for Latangela to conclude that she was the culprit of her demise After all her mother often told her that she would not amount to a hill of beans that she was nothing and that she would never be anything She sometimes believes these perceptions yet struggles to conceive them as reality Latangela toils with succumbing to the harshness of her circumstances Perhaps it could be that she was once a great pretender pretending as if being raped molested and physically and verbally abused by a neighbor her uncle her babysitter and her mother had in no way influenced the choices that she made Latangela sometimes jolts and cringes as she recalls

experiencing uninvited fondling kisses rape electric cord beatings abortion the murder of her stepfather homelessness and so much more Indeed the recollection of these former days brings tears to her eyes yet joy to her heart as she discovers that she is not to blame for these atrocities Unforgiveness is her psychological prison cell It is in this cell that Latangela allows herself to succumb to the pain and agony of her past Latangela s life changes when she has a supernatural encounter with Jesus Christ She realizes that forgiveness is the key to victory She learns to forgive her predators and herself for the poor choices that led to homelessness and unhealthy relationships In doing so the emotional prison cell that once held her captive ceases to exist Through prayer and supplication God gives her the wisdom knowledge and grace to separate agape love for her mother and her abusers from their indiscretions Latangela s life experiences do not prevent her from becoming an educator an author a minister a media personality an actress and a serial entrepreneur She plans to one day travel the globe to share how she was crushed but not defeated 0    **Zephyr** Charlotte Truepeney,1964 Relates the author s experiences in raising Zephyr a blue monkey on a farm in the Central African bush country    **Low Rider** ,1981    *Smokie forever - It's medley time* ,2018    **Smokie Forever** John Williams,2003-10 Smokie was a real cat and his story is based around his true life I hope this book can bring young and old alike an understanding of one of life s greatest pleasures the company of a cat For all those past or present owners I don t have to sell you on the appreciation of cats For those that have never owned a cat just read and enjoy Hopefully this story can help children to accept the loss of any pet more easily without ever having to forget them    *Rossiiskii muzykal'nyi ezhegodnik* ,2002    **World Fishing** ,1955    **The Sabbath Recorder** ,1944    **Liberty**
