*Outwitting the Devil* Napoleon Hill, 2024-10-22 Napoleon Hill who was one of America's greatest influential thinkers reveals how you can triumph over obstacles to find success in business and in life in his classic book *Outwitting the Devil*. It is a profound, powerful, resonant, and rich with insight. The Devil ensnares and controls our minds so we are unable to achieve our personal goals. Hill went so far as to interview the Devil himself, exploring the innermost depths of the psychology of motivation to understand why so many individuals, including himself, let fear, procrastination, anger, and jealousy prevent us from realizing our full potential. The resulting confession from the Devil made this book so controversial as to remain unpublished for over 70 years. The good news is that it is available to you now. Not only is it an insightful and revolutionary perspective on human growth, but with the study guide included in this Deluxe Special Edition, it serves as a powerful hands-on toolkit to achieving personal victory. As you journey through the book and accompanying study guide, you are taken through a step-by-step personal development process that will assist you in conquering your own inner demons. You can explore and move beyond your own personal beliefs, fears, blocks, and programming and ultimately be released from self-destructive behaviors. With his legendary ability to get to the root of human potential, Napoleon Hill lays out the exact nature of the power by which the Devil disarms human beings. This is the same power that paralyzed millions of individuals with fear and despondency during the Great Depression and continues to hold people back from their dreams. By opening our minds to acquire knowledge that might not seem to mesh with our personal beliefs, we can access a greater truth that will bring harmony out of chaos in this age of frustration and fear. Learn the seven principles to freedom that Hill details in this book and move beyond them on your own introspective journey so you can finally overcome the causes of failure and misery. It is time to eliminate your destructive habits and unlock the secret to outwitting the devil once and for all. **Fear-Proof Your**
